

### **PE Funding 2016 -2017 (projected spend) Spend April 16 – Nov 16**

How we will spend it:

- Andy Conkey - weekly PPA £3375.00
- Swimming Lessons £2642.50
- Transport to swimming, sporting events etc £1485.00
- Archery
- Horse Riding
- Tennis (A Conkey)
- Cricket (A Conkey)

Impact of this expenditure:

- ✓ All KS2 pupils have had 10 weeks of swimming lessons
- ✓ All pupils in school, Reception, KS1 and KS2, have weekly PE lessons with a specially trained coach.
- ✓ All pupils have the opportunity to take part in weekly after-school multi-skills sessions
- ✓ KS2 pupils took part in/organised an inter-school hockey festival

In Spring/Summer 2017 we have planned:

- Horse Riding
- Archery
- Sports coach continuing providing inter-school competitions: benchball (yr 5&6), dance (KS1), gymnastics (yr 3&4), football (yr 5&6) and athletics (KS1)
- To build on successful Summer Camp Sports programme from 2016

We are continuing to feel the impact of the purchase on new equipment from 2015-2016, the new hockey sticks have enabled the whole of KS2 to have lessons using the correct sized hockey stick and having this equipment has enabled us to provide after-school hockey sessions (Autumn 2/Spring 1) for both key stages. The new footballs, bibs and cones have been used during after-school and summer camp football. The equipment storage trolley has enabled us to keep a check on the resources that we have.
