## **RULES FOR RESPONSIBLE INTERNET USE**

The School has installed computers and Internet access to help the learning of our pupils. These rules will keep everyone safe and help us be fair to others. Pupils will not be allowed to use the Internet until they have agreed and signed this contract of use.

### **PARENT AND PUPIL CONTRACT**

The school has installed ICT equipment with access to the Internet via a Broadband connection to help with your child's learning. The Internet Service Provider used by this school provides a continually updated, filtered service to ATTEMPT to ensure only acceptable Internet sites are available.

Your child's teacher will only set ICT work which is related to the curriculum and which will benefit their learning.

In addition your child may make other use of the ICT equipment but only with the approval of a member of staff.

We encourage you to contact the school if you have any concerns regarding your child's use of our ICT provision.

*For our records please sign and date the section below and get your child to sign overleaf and return it to your child's teacher.*
