Rainy Day Arrangements - Reminder

During heavy/persistent rain, we have issues with the back gate flooding. Therefore this gate will not be opened on rainy mornings and afternoons. Children should enter via the front gate in the morning and in the afternoon. To avoid over-crowding, Reception will exit via their usual gate, Year 1 and 2 will exit via the front door and Years 3-6 will exit via the front gate. Thank you.

Forest School

Reception pupils had a fantastic time exploring our wildlife area during a Forest School session with Mrs King last week. The children were so sensible and well-behaved that Mrs King has decided to take them as a whole class to our Forest School site in the woodland next to the dip. Please remember that the children will need plenty of warm layers and clothes that can get very muddy!

Parents' Evening

Our second set of Parents' evenings will take place during the first week back after February half term. We will be sending letters out soon, so please look out for these and return slips ASAP. School is closed for an Inset day on the Monday after half term so we will need to organise all appointments before we break-up.

Football Match vs Ingrave Johnstone away.

Good luck to the team that we will be sending to the match on Thursday!

Stone Age Workshop

Year 3 and 4 have really enjoyed the varied and engaging activities that they have taken part in today. It has really brought this period of history to life and the children have had the opportunity to explore a range of artefacts and ask

lots of questions! Thank you to all parents who contributed to the cost of this visit. It would be very difficult for us to continue offering such worthwhile experiences to the children without these contributions.

Fire Safety Session

Year 3 were visited by a member of staff from Essex Fire Service on Friday and worked through an informative and potentially life-saving lesson. We've been asked to remind all parents and carers to regularly check your smoke alarm!

Reading Record Challenge

On Friday, we will be having a whole school Literacy day. Mrs King has arranged a number of exciting activities including visitors to the school who will deliver Roald Dahl themed workshops to all classes. Last Friday, the children were set the challenge of reading every night and recording this carefully in their reading record. On Friday, all reading records will be checked and there will be prizes for the best kept reading record in each class. Hopefully this will encourage the children to continue with this throughout the rest of the year. Ideally, it would be great to see parent involvement with reading and reading records at least twice a week for all pupils!

Literacy Day Homework

On Friday, class teachers will not be setting Mathematics homework. Instead, children will be given a story writing task to support Literacy day. The deadline for this homework will be Friday 10th February.

Lost Property

Please pop in and look through the lost property box if your child has mislaid any belongings. The box is overflowing and includes many items of brand new uniform. Thanks.
