Teachers: Miss Vaughan and Mrs Greenslade

Issue: 2

Welcome back,

We hope you had a fantastic Christmas break with your families, the children have certainly come back very excited about Father Christmas visiting them. All the children have well and truly been spoilt.

The children are progressing really well in their phonics and can clearly see this in their independent writing. The children have completed Phase 2 in the Letters and Sounds programme and currently working within Phase 3. Their phonic knowledge is also showing in their reading and the children are progressing well through the schools reading scheme which is complete daily in our afternoon Guided reading session.

We would like to thank you for completing 'I Am a Star' sheets which tells us what you are proud of your child's achievements' at home, these sheets are very valuable to your child's learning journey and paints a whole picture of the children for our assessments. These sheets are available on the notice board if you need any to fill out.

This half term we will be focusing on the topic 'Why don't snakes have legs?' we have planned lots of exciting activities for the children to enjoy.

If there is any more information you need to know then please do not hesitate to ask,

Thank you

Miss Vaughan and Mrs Greenslade
