This policy takes guidance from the DFE Policy - 'Charging for School Activities' which has been recently revised and Local Authority guidance on school lettings. Sections 449-462 of the Education Act 1996 set out the law on charging for school activities in schools maintained by local authorities in England. This guidance complements the information given in "A Guide to the Law for School Governors" (Chapter 23) and reflects the terms of the Education Act 1996.

This Policy will be reviewed on an annual basis by the School's Finance Committee and will be adjusted in line with new Government or Local Authority recommendations. It sets out the School's position on charges, remissions and lettings.

Voluntary Contributions and Responsibilities of Staff

Nothing in legislation prevents a Governing Body or Local Authority from asking for voluntary contributions that would benefit the School or any School activities and the School will invite parents and others from time to time to make voluntary contributions to enable the provision of activities and visits which may not otherwise be possible. If the activity cannot be funded without voluntary contributions, this will be made clear to parents at the outset. The Governing Body or Headteacher will make it clear to parents that there is no obligation to make any contribution. No student will be excluded from an activity because his or her parents are unwilling or unable to pay. However, if insufficient voluntary contributions are raised to fund a

visit, it may not go ahead. Staff organising visits should make this clear to parents. Staff organising a trip will make it clear to parents at the outset what their policy for allocating places on the visit will be.

Activities outside of normal lesson times and not within the National Curriculum (ranging from visits abroad to school matches) are classed as 'optional extras'. Parents may be asked to meet the full cost of these activities. In the case of residential experiences, every effort will be made to offer value for money but the cost might be quite high. It is intended that School-based extra curricular activities should be free or very low cost. The School will do its best to offer assistance or remission of charges in any case where there is hardship.

For activities during normal School hours and/or within the National Curriculum, parents may be asked to make a voluntary contribution to cover the cost of the activity to enable it to go ahead. Each year, such visits are likely to include visits to museums, theatre trips etc. The costs of visits will vary accordingly.

When making requests for voluntary contributions to School funds, parents will not be made to feel pressurised into paying as it is not compulsory.

Charges and contributions should cover the anticipated costs. If contributions from an activity exceed the actual cost, the School will refund surpluses of £3 or more per pupil where the charge for the activity is under £100; and £5 or more per pupil where the charge for the activity is £100 or more. Any surplus of less than £3 per student, where the charge for the activity is under £100 and less than £5 per pupil where the charge for the activity is £100 or more will be retained in the School Fund for use with other activities. A charge may include an allowance for the cost of staff from the School who supervise optional extra activities if those staff have been specifically asked to cover the activity as an 'optional extra'.

Parents may be asked to meet the costs of private music tuition in full, where tuition is given either to an individual student or to students in small groups. General fundraising and sponsorship may be used to permit additional activities.

Charging Structure

For residential courses during the time of normal School hours, parents can be asked to meet the full cost of board and lodging, and to make a voluntary contribution towards any travel expenses. The School will meet the costs for students whose parents receive the income support benefits, where it is still possible for the visit to go ahead. The School will do its best to offer assistance and remissions in any case where there is hardship.

Parents may be charged for some or all of the cost of damage to School property where this has been intentional. **Parents** will be expected to meet some or all of the cost for replacing lost or damaged books or equipment.

Activities and Visits

If the number of School sessions taken up by the visit is equal to or greater than 50% of the number of half days spent on the visit, it is deemed to have taken place during normal School hours (even if some activities take place late in the evening). Whatever the starting and

finishing times of the day, regulations require that a school day be divided into two sessions: a 'half day' means any period of 12 hours ending with noon or midnight on any day. Time spent on travel counts in this calculation if the travel itself occurs during School hours. Activities during normal School hours may only involve a request for a voluntary contribution; parents may be charged an amount to cover the costs incurred to the School for activities mainly taking place outside of School hours.

Parents should be informed of the decision to ask for contributions at the planning stage of activities. Planned activities may be cancelled if financial support is not forthcoming. Parents may be asked to make a voluntary contribution towards activities taking place during School time, or towards activities which are a necessary part of the National Curriculum. Parents will be asked to meet the full cost of optional extra activities that occur outside of normal School hours, where these activities are not a necessary part of the National Curriculum. Parents will be asked to meet the full cost of board and lodging, and to make a voluntary contribution towards travel expenses for residential visits which fall, in the main, during normal School sessions. Pupils whose parents are receiving the following benefits should not be prevented from taking part in any School activity or trip that is open to other pupils:

- Income Support (IS);
- Income Based Jobseekers' Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed the limit set by HMR&C
- the guarantee element of State Pension Credit
- any similar income related employment and support allowances introduced by the Government.

Any charge made in respect of individual students will not exceed the actual cost of providing the optional extra activity, divided equally by the number of students participating. It will not include an element of subsidy for any other students wishing to participate in the activity whose parents are unwilling or unable to pay the full charge. In calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra;
- non-teaching staff;
- teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra; and
- the cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.

In cases where a small proportion of the activity takes place during School hours, the charge will include the cost of alternative provision for those students who do not wish to participate. Therefore no charge will be made for supply teachers to cover for those teachers who are absent from School accompanying students on a residential visit. Participation in any optional

extra activity will be on the basis of parental choice and a willingness to meet the charges. Parental agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.

When the School informs parents about a forthcoming visit, the member of staff leading the trip should make it clear that parents who can prove they are in receipt of income support benefits will be exempt from paying the cost of board and lodging. However, where voluntary contributions would not cover the cost of a visit, it would be likely that the visit would be cancelled where the trip was not an essential element of the curriculum.

Music Tuition

The law states that all education provided during school hours must be free, but music lessons are an exception to this rule. The Education and Inspections Act 2006 introduced a regulation-making power which allowed the Department for Children, Schools and Families to specify circumstances where charging can be made for music tuition. The new Regulations, which came into force in September 2007, provide students with greater access to vocal and instrumental tuition. Charges may now be made for teaching either an individual student or groups of any appropriate size (provided that the size of the group is based on sound pedagogical principles) to play a musical instrument or to sing. Charges may only be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil(s).

Extended Schools -

St George's RC VA Primary School provides a term-time only Breakfast Club service for 3-11 year olds at 'The Wide Awake Club'. Parents will be charged for use of the service and the session times and charges are as follows:

Full morning session including light breakfast (e.g. toast & cereal)
7.50am until start of school - **£1.00**

Early Years

Nursery Charges for Additional Sessions over the funded 15 hours

All 3 and 4 year old children have an entitlement to 15 hours funded entitlement and this entitlement must always be completely free at the point of delivery. A parental agreement will be required in relation to the funded 15 hours provision.

Additional sessions over the 15 hours per week entitlement may be available but this is dependent upon the number of children who are attending for funded sessions and to whom priority will be given. Sessions will consist of 3 hours and will be charged at £12 per session. A second parental agreement will be required and the additional sessions will only be guaranteed for the duration of 1 term with a new agreement being put into place each term to define requirements, again dependent upon availability.

Invoicing and Payment Procedures

An invoice for the additional sessions will be sent to parents monthly in advance. Where immediate payment of the invoice may cause hardship, parents are advised to contact the

Headteacher in writing upon receipt of invoice. The School will do its best to assist with payment arrangements basing individual requests on their own merit. Note: late payment may incur additional charges (see Important Note and Late Payment Charges below) and non payment will result in the termination of the contract with immediate effect unless an individual agreement has been arranged.

Non Attendance or Cancellation

There will be no refunds (full or part) for non-attendance of chargeable sessions. Fees for additional sessions are chargeable for a full term and cancellation of the agreement will result in a cancellation charge for the remainder of fees due up to the end of the term. The cancellation charge may be waived or reduced at the discretion of the Headteacher basing individual requests on their own merit. All requests for waiving/reduction of cancellation fee must be put in writing to the Headteacher. Note: late payment may incur additional charges (see Important Note and Late Payment Charges below).

Lunchtime Sessions

The school can charge parents a fee (currently set at **£1.40** per lunchtime session) to cover for additional supervisory staffing provision for nursery children attending the lunchtime session. An optional charge of **£1.60** will cover school dinner where required (packed lunches may be provided by parents if preferred).

Free School Meals

For information on free school meals where applicable please see the School Office Manager. Where there is entitlement to a Free School Meal the lunchtime supervision charge will be waived for the sessions that the Free School meal applies.

Important Note:

Any sums payable by parents for optional extras such as unpaid nursery fees, extended school provision etc to which they have agreed in writing, or for board and lodging shall be recoverable as a civil debt and may also be subject to late payment charges.

Late Payment Charges:

Charges will be levied at the higher of **£5.00** or **5%** (change as necessary) of the outstanding debt, to cover associated administration costs.

Lettings Policy

Introduction

The Governing Body of St George's RC VA Primary School is committed to ensuring the efficient

use of the school's premises and making them available for use by the local community. To this end they have adopted this lettings policy.

Policy

The Governing Body is required to ensure that any expenditure resulting from the use of school premises by external organisations does not fall on the delegated budget. Consequently a scale of charges for the use of accommodation has been produced and is reviewed by the Governing Body in April each year.

Authority is delegated by the Governing Body to the Headteacher to deal with requests for lettings of a routine nature. Where any prospective letting involves extended use of the premises (over a number of days/nights or after 12 midnight) or where the prospective hirer is not known to the Headteacher the Chairman of the Governing Body should be consulted. The LA's standard lettings forms shall be used on all occasions.

Hirers are responsible for damage to premises, property or loss which occurs during or as a result of their letting and appropriate supervision arrangements should be in place for activities held in buildings or grounds.

The LA maintains insurance cover for liabilities incurred by Governors with regards to lettings, but insurance for liabilities incurred by hirers is the responsibility of hirers.

Hirers are responsible for removing or otherwise disposing of litter and rubbish resulting from their use of the premises or grounds.

No smoking or drinking of alcohol is permitted by individuals on the school premises.

A minimum of two weeks notice is required by the school of all lettings. The standard lettings forms should be completed by the school and signed by the hirer in advance of the letting.

Where hirers use equipment that is the property of the school or catering contractor the Headteacher / Contractors representation shall satisfy themselves that the hirer is capable of using such equipment. Notice of use to be made at the time of application. No equipment to be used unless agreed with the school.

24 hours notice to be given for any cancellation or change of time. The full charge will be levied if this is not adhered to.

Conditions relating to Letting of Educational Premises, Grounds and Kitchens

Hirers will be held responsible for any damage to premises, property, equipment or loss which occurs during or as a result of their use.

Hirers must ensure that premises and grounds are left in a clean and tidy state after their use, that all litter is removed and that where items of furniture have been moved they are put back in position at the end of the letting.

The Authority has insurance cover for liabilities which occur in school hours as a result of lettings, **but personal accident insurance and any insurance for liabilities incurred by the hirers are the responsibility of the hirers themselves.**

Hirers must ensure that full supervision is provided during lettings, especially of playing fields and the Authority will not be responsible for any claims which may arise as a result of negligence on the part of the hirers or their supervisors.

The Authority reserve the right to cancel letting arrangements, without notice if necessary. This will be done only in exceptional circumstances, in the event, for example, of premises being required for a statutory purpose, such as an election. **Use of the grounds may, however, be cancelled by the Head at any time should he/she consider that they are unfit for use.**

Failure to comply with the school's conditions may result in the refusal of future requests to hire premises or grounds.

Kitchen/Scullery - a high standard of hygiene must be adhered to at all times and the kitchen/scullery and equipment must be left in as hygienic a condition as after normal use by the catering service.

The hirers or outside caterers must not use catering foodstuffs, crockery or other light equipment or cleaning materials.

Charges

VAT has to be added to the lettings charges when sports facilities are used on a casual basis, ie unless the whole session of lettings is booked in advance for at least three calendar months, covering a minimum of ten individual dates at not less than fortnightly intervals and on the basis that the lettings charges will be paid whether or not use takes place on a particular date.
