Dear Parents/Carers

KS2
Visit by Primary Workshops for Schools
Tuesday 14 February 2017

This term, to link in with our City of Culture topic, we have arranged for all children in KS2 to take part in a Chinese Music workshop led by Primary Workshops for Schools.

It will provide the children with an opportunity to experience music from other cultures, which they can then compare to the traditional Western music that they are familiar with through their weekly Music lessons.

All children in KS2 will start the day with an assembly, when they will be shown classical Chinese instruments and listen to the types of music that these produce.

Once this has been demonstrated, the children will hold and play the instruments themselves during their sessions.

The children will then learn a simple song in Mandarin Chinese.

The workshops will finish with an end of day performance, enabling the children to showcase what they have learnt.

To cover the cost of the workshop a voluntary contribution of £3.00 per child is requested. There is no obligation to do so however, and your child will not be excluded from this activity should you decide not to contribute. However if there are insufficient responses the activity will not go ahead.

Please complete the reply slip below and return it to school by Friday 3 February. Thank you for your support.

Yours sincerely

Mrs Beasley & Mrs Hirst
