

Mersey Drive - Pupil Premium Funding Nursery School Action Plan 2016/17

Key Priority: To narrow the disadvantage gap by addressing inequalities and raising the attainment of those students in low-income families.

Key People: Chair of Governors, Headteacher and Senior Management Team

Evaluated by: Governing Body

What do we expect to see: Targeted strategies which result in students, however financially disadvantaged, being able to have full access to our curriculum and all our extra-curricular experiences. All students who are currently under-performing because of their disadvantaged background will make improved progress leading to narrowing of any attainment gaps.
