Dear Parents/carers,

The High Tech Crime Unit at Merseyside Police has been contacting schools to make them aware of an app called '**Musical.ly**'

It appears to be an application that paedophiles are looking to exploit as the main users of Musical.ly are children, aged 8 - 12 years old. The app itself is harmless but it appears that some users are using it to gain access to young people.

I would reiterate that as parents and carers it is our duty to remain vigilant and monitor our children's use of the internet, mobile phones and social media.

Check out the link below and click on the Musical.ly parents guide which shows you how to keep accounts private.

Please come and see me if you would like a printed guide to Musical.ly

Yours Sincerely,

Mr Fyne
Assistant Headteacher
