

Hertford Vale C.E Primary School

Equality and Diversity Policy.

Compassion Friendship Thankfulness Fellowship

Introduction

Hertford Vale C.E Primary School is an inclusive school where we focus on the well-being and progress of every child and where all members of our community are of equal worth. Christian values underpin the work of the school and our care of the individual. We aim to be inclusive and responsive to the diversity of children's backgrounds, interests, experience, knowledge and skills.

We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

5.16 Under specific duties set out in previous equality legislation, schools were required to produce equality schemes in relation to race, disability and gender. Under the specific duties there are no requirements to create equality schemes. But schools may choose to continue producing such a scheme, if it helps them to comply with the Equality Duty, and they can expand it to cover the additional protected characteristics.

The Single Equality Scheme for schools in North Yorkshire provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

Our approach to equality is based on the following key principles

- 1. All learners are of equal value.** Whether or not they are disabled, whatever their ethnicity, culture, national origin or national status, whatever their gender and gender identity, whatever their religious or non-religious affiliation or faith background and whatever their sexual orientation.
- 2. We recognize, respect and value difference and understand that diversity is a strength.** We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to disability, ethnicity, gender, religion, belief or faith and sexual orientation. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
- 3. We foster positive attitudes and relationships.** We actively promote positive attitudes and mutual respect between groups and communities different from each other.

4. We foster a shared sense of cohesion and belonging. We want all members of our church school community to feel a sense of belonging within the school and wider community and to feel that they are respected and able to participate fully in school life.

5. We observe good equalities practice for our staff. We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion, and in continuing professional development

6. We have the highest expectations of all our children. We expect that all pupils can make good progress and achieve to their highest potential

7. We work to raise standards for all pupils, but especially for the most vulnerable. We believe that improving the quality of education for the most vulnerable groups of pupils raises standards across the whole school.

What we are doing to eliminate discrimination, harassment and victimisation

We take account of equality issues in relation to admissions and exclusions; the way we provide education for our pupils and the way we provide access for pupils to facilities and services. We are aware of the Reasonable Adjustment duty for disabled pupils – designed to enhance access and participation to the level of non-disabled pupils and stop disabled children being placed at a disadvantage compared to their non-disabled peers. The Headteacher ensures that all appointment panels give due regard to this policy so that no one is discriminated against when it comes to employment, promotion or training opportunities. We ensure that those who are affected by a policy or activity are consulted and involved in the design of new policies, and in the review of existing ones. We take seriously the need to consider the equality implications when we develop, adapt and review any policy or procedure and whenever we make significant decisions about the day today life of the school. We make a record of each specific equality consideration and this is available for review if required. We actively promote equality and diversity through the curriculum and by creating an environment which champions respect for all. Our admissions arrangements are fair and transparent, and we do not discriminate against pupils by treating them less favourably on the grounds of their sex, race, disability, religion or belief, sexual orientation, gender reassignment, pregnancy or maternity.

Behaviour, Exclusions and Attendance

We make reasonable, appropriate and flexible adjustment for pupils with a disability. We closely monitor data on exclusions and absence from school for evidence of over-representation of different groups and take action promptly to address concerns.

Addressing prejudice and prejudiced based bullying

The school challenges all forms of prejudice and prejudice-based bullying, which stand in the way of fulfilling our commitment to inclusion and equality:

- prejudices around disability and special educational needs
- prejudices around race, religion or belief, for example anti-Semitism and Islamophobia, Travellers, migrants, refugees and people seeking asylum

- prejudices around gender and sexual orientation, including homophobic, biphobic and transphobic attitudes.

We keep a record of different prejudice-related incidents and provide a report to the governors about the numbers, types and seriousness of prejudice-related incidents at our school and how we dealt with them. We review this data termly and take action to reduce incidents

What we are doing to advance equality of opportunity between different groups

We know the needs of our school population very well and collect and analyse data in order to inform our planning and identify targets to achieve improvements.

We have procedures, working in partnership with parents and carers, to identify children who have a disability through our pupil admissions meetings.

We collect data and monitor progress and outcomes of different groups of pupils and use this data to support school improvement. We take action to close any gaps, for example, for those making slow progress in acquiring age-appropriate literacy and number skills.

We are aware that the legislation relates mainly to current but also to future pupils – we will for example, be sufficiently prepared if a Visually Impaired, Hearing impaired or Gypsy Roma Traveller pupil joins our school.

We use a range of teaching strategies that ensures we meet the needs of all pupils.

We provide support to pupils at risk of underachieving.

We are alert and proactive about the potentially damaging impact of negative language in matters such as race, gender, disability and sexuality.

In addition to avoiding or minimising possible negative impacts of our policies, we take opportunities to maximise positive impacts by reducing and removing inequalities and barriers that may already exist between, for example:

- disabled and non-disabled people
- people of different ethnic, cultural and religious backgrounds
- girls and boys

We ensure equality of access for all pupils to a broad and balanced curriculum, removing barriers to participation where necessary.

We also have an Accessibility Plan designed to: increase the extent to which pupils with disability can participate in the curriculum; improve the physical environment and; improve the availability of accessible information to disabled pupils.

Positive Action

We will take positive and proportionate action to address the disadvantage faced by particular groups of pupils with particular protected characteristics, such as targeted support. The actions will be designed to meet the school's Equality Objectives.

What we are doing to foster good relations

- We prepare our pupils for life in a diverse society and ensure that there are activities across the curriculum that promotes the spiritual, moral, social and cultural development of our pupils.

- We teach about difference and diversity and the impact of stereotyping, prejudice and discrimination through PSHE and citizenship and across the curriculum.
- We use materials and resources that reflect the diversity of the school, population and local community in terms of race, gender, sexual identity and disability, avoiding stereotyping.
- We promote a whole school ethos and values that challenge prejudice based discriminatory language, attitudes and behaviour.
- We provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures.
- We include the contribution of different cultures to world history and that promote positive images of people.
- We provide opportunities for pupils to listen to a range of opinions and empathise with different experiences.
- We promote positive messages about equality and diversity through displays, Collective Worship, assemblies, visitors and whole school events.

Other ways we address equality issues

We keep minutes of meetings if/when equality issues are discussed

We have a rolling programme for reviewing all of our school policies in relation to equalities and their impact on the progress, safety and well-being of our pupils.

The implications for equalities of new policies and practices are considered before they are introduced

In order to ensure that the work we are doing on equalities meets the needs of the whole school community we:

review relevant feedback from the annual parent questionnaire, parents' evening, parent-school forum and/or focus meetings or governors' parent/carer consultation meetings.

secure and analyse responses from staff surveys, staff meetings and training events.

review feedback and responses from the children and groups of children, from the school council, PSHE lessons, whole school surveys on children's attitudes to self and school.

analyse issues raised in Annual Reviews or reviews of progress on Individual Education Plans, mentoring and support.

Monitoring and reviewing the policy

We review and update our equality objectives every two years and report annually to the governing body on progress towards achieving them. We involve and consult staff, pupils, governors and parents and carers.

We publish an evaluation of the success in meeting these objectives for parents and carers, on the school website.

Roles and Responsibilities

We expect all members of the school community and visitors to support our commitment to promoting equalities and meeting the requirements of the Equality Act. We will provide training, guidance and information to enable them to do this.

Governing body

The governing body is responsible for ensuring that the school complies with legislation, and that this policy and its related procedures and action plans are implemented. A member of the governing body has a watching brief regarding the implementation of this policy.

Headteacher and Leadership team

The Headteacher is responsible for implementing the policy; for ensuring that all staff are aware of their responsibilities and are given appropriate training and support; and for taking appropriate action in any cases of unlawful discrimination.

Teaching and Support Staff

All teaching and support staff will:

- promote an inclusive and collaborative ethos in their classroom
- challenge prejudice and discrimination
- deal fairly and professionally with any prejudice-related incidents that may occur
- plan and deliver curricula and lessons that reflect the school's principles, for example, in providing materials that give positive images in terms of race, gender and disability
- maintain the highest expectations of success for all pupils
- support different groups of pupils in their class through differentiated planning and teaching, especially those who may (sometimes temporarily) find aspects of academic learning difficult
- keep up-to-date with equalities legislation relevant to their work.

We will provide training and guidance on Equalities for all staff new to the school as part of the induction procedure. We will go through the principal expectations and duties of the Equality Act at a whole staff meeting during the school year.

Visitors

All visitors to the school, including parents and carers are expected to support our commitment to equalities and comply with the duties set out in this policy. We will provide guidance and information in school newsletters to enable them to do this when appropriate.

Equal Opportunities for staff

This section deals with aspects of equal opportunities relating to staff. We are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.

All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law.

We are also concerned to ensure wherever possible that the staffing of the school reflects the diversity of our community.

As an employer we strive to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

We respect the religious beliefs and practice of all staff, pupils and parents, and comply with reasonable requests relating to religious observance and practice.

We ensure that all staff, including support and administrative staff, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams.

Check list for school staff and governors

The school collects information on race, disability and gender with regards to both pupils and staff, e.g. pupil achievement, attendance, exclusions and staff training.

This information is used to inform the policies, plans and strategies, lessons, additional support, training and activities the school provides.

The school analyses Pupil achievement in terms of progress and standards for different groups and takes action when there trends or patterns indicate a need.

The school ensures that all staff understand and implement the key requirements of the Equality Policy

The curriculum includes opportunities for all pupils to understand and celebrate diversity and difference.

All groups of pupils are encouraged to participate in school life and make a positive contribution, e.g. through class assemblies and the school council.

The school monitors bullying and harassment of pupils in terms of difference and diversity (i.e. different groups) and takes action if there is a cause for concern.

Visual displays and multi-media resources reflect the diversity of modern Britain.

Minority ethnic, disabled and both male and female role models and those of vulnerable groups are promoted positively in lessons, displays, discussions and class assemblies.
