Dear Parents and Carers,

As part of our safeguarding role in school we talk to children about how to stay safe both at school and in other situations. During the school year we cover the following safety and safeguarding subjects:

- Safety in the school environment
- Bullying
- Online safety
- The NSPCC Pants campaign
- Stranger Danger

We are looking to extend our work further and would appreciate if you could take a few minutes to complete our questionnaire. We would hope that we can use your suggestions to produce some work to use with our children in school to teach them about wider safety awareness.

We would really appreciate it if you would take a few minutes to answer the questionnaire for us and return it to school by Friday 10<sup>th</sup> February.

Thank you for your support.

Mrs Hopley
