Mrs Britton's class have dissected flowers as part of their Science lessons this week. They paid attention to detail and carefully separated the different parts of the flower.

They identified all the parts of a lily and recorded their findings in different ways.

Following the lesson the children were able to identify all the parts of a flower and explain their functions.

Well done to Bessie, Maya and Noah for earning a 'Dinner with Miss Dowling'.

As part of our continuing commitment to encourage the love of reading we have registered for the **Scholastic Book Club!** Go to <http://schools.scholastic.co.uk/dalton-wn8> to browse the latest books and order online.
