

Week 5

Friday 3rd February 2017

This week:

We have continued our flight around the world and we have explored the Arctic and Antarctic. First we met Otto, the penguin who wanted to find out, in the Antarctic. He helped us find out lots about living there. Next we met some polar bears who were having lots of problems in the Arctic circle. We are going to find out next week how we can help them.

We are continuing to try to be number magicians and learn all the pairs to make 10.

This week Digby dog made lots of mistakes with his calculations and we used the tens frames and number lines to prove whether he was accurate or not!

Year 1 spelling focus:

These are the words we are working on in class. Please practise them at home too. We will not be having a spelling test, but we do expect to start spelling them accurately in our everyday writing.

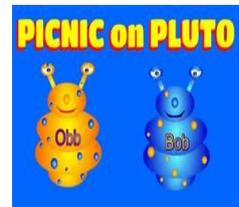

Singular and Plural: Add -es

Wish wishes fox foxes box boxes bus buses

The children are very keen to practise spelling patterns with this great website. The free games are lots of fun.

Yr 1 Sharing Assembly: 10.02.17

Looking forward to showing you what we have been learning about on Friday at 9.05 in the hall.

In response to feedback from the Parent Focus Group regarding drinking water. In Year 1 we bring water bottles into school each day and take them home each day to be washed and refilled. If we forget, we do have a few plastic cups that children can use to get a drink of water in class.

What did you see?

How many birds of the same kind did you see at the same time?

 House sparrow I saw	 Blackbird I saw
 Blue tit I saw	 Robin I saw
 Black-headed gull I saw	 Chaffinch I saw
 Starling I saw	 Magpie I saw
 Woodpigeon I saw	 Great tit I saw
Your name	

Home learning this week:

What a lot of birds you spotted in your gardens. The robin and the great tit seemed to be particularly popular with the children.

I have put a few extra sheets in your book bag, just in case you need them.

Please complete any activities not finished and send in next week.
