Dear Owner/Occupier

PUBLIC CONSULTATION – BLACK ROAD PLAY AREA

RYHOPE – BLACK ROAD PLAY AREA

Further to my last letter to you in October 2016 with regard to the development of the new play area at Ryhope Reclamation as part of the coordinated approach to the retention, refurbishment and development of Play and Urban Games Facilities within the city, I can now advise you further with regard to the project timetable over the coming weeks.

The timelines for the project are as follows:

- Onsite contract works will start week commencing February 6 2017
- It is anticipated that the works programme, weather permitting, will last for approximately 6 weeks
- Grass seeding and establishment during March 2017
- It is anticipated that the new play site will be available for public use by Easter 2017

These are approximate timelines and may alter slightly. Please note also that working hours are restricted from 8am until 4pm Monday to Friday and that the site will be fully segregated from the public during the work phase.

Should you have any queries about anything contained in this letter please do not hesitate to contact my colleague Peter Mooney on 0191 5614664 or e-mail peter.mooney@sunderland.gov.uk

Yours faithfully
