

Rights respecting schools minutes

On Friday 3rd February the ambassadors enjoyed an update meeting where we discussed the ways that we can move forward as a Rights Respecting School!

Those present were;

- Mrs Gazey
- Mrs Tennant
- Zak yr4
- Gabriella yr4
- Noah yr5
- Niamh yr5
- Kieran yr6
- Felix yr6

Keiran and Felix said “we would like to create a powerpoint at break time that shares some of our rights and that all the teachers can show their children in class” – we then suggested that for the week commencing the 6th February we could focus on safety articles in relation to safety week.

Niamh and Noah said – “We would like to take some of the leaflets outside to share with the children who need some help with behaviour to keep children on the right path” – The ambassadors are thinking of ways to inspire more children to mediate outside as this is an area that needs support especially with our younger children.

Gabriella and Zak said – “How about we make books for each class to put in the book corner, ones that even the little ones can understand so they can sit and think about their rights. I and Mrs Tennant then added that it may be nice for the children to have space within these books to write and share their feelings within them.

Points of action

- **Keiran and Felix to create power point by next Friday to present in the safety week assembly.**
- **Niamh and Noah are going to monitor the behaviours outside and encourage positivity among our peers and friends.**
- **Gabriella and Zak will begin creating the articles books for each book corner.**

Topics for the next meeting

- **Review the school action plan.**
- **Ensure all ambassadors have badges and note books.**
- **Come up with ideas for classroom RRS corners as each classroom needs to have one.**
- **Discuss possible mediators group for playtime behaviour.**
- **The UN convention – what does it mean?**
- **Share the LOVE – valentine’s day.**
