

General parental consent for consultation and liaison with other universal services regarding your child

In order to support the development of your child through their school life there may be times when we need to consult with other agencies. This is to help us gain a greater understanding of your child and to enable us to tailor our support to their specific learning and developmental needs.

Where relevant, this may include liaison with multi-agencies, e.g. health, in relation to the welfare of your child / children.

Please speak to a member of staff if you have any questions or concerns.

PLEASE NOTE THAT INDIVIDUAL SERVICES WILL KEEP THEIR OWN RECORDS. YOU HAVE A RIGHT TO SEE A COPY OF ANY SUCH RECORDS UNDER THE DATA PROTECTION ACT (1998).
