

## Half-Termly Hartford

News written by the school council about this half-term's events — Spring 2

### The Inner Workings of the Council

From the outside it may seem that we haven't been up to much but that is not true! This half term we have been organising how we can fund raise for Red Nose Day. We have spoken to our classes and have discussed our favourite ideas; more information to follow soon. We have also looked into another charity suggested by Year 4 councillor Alfie and will hopefully be supporting them in the Summer term.

As class councillors we listen to our classes and pass on what they think so the adults know. We have told Miss Deaves that another disco is really wanted— The PTA now know and there will be one before the Easter holidays.

Being in the council makes us proud especially when we get chosen to represent the school. We have been invited by the Town Council to take part in the annual Huntingdon Flipathon on Shrove Tuesday (28th February). This will be lots of fun according to last year's council. If you are free at 11 why not head down to market square and support us!

### Comic Relief 2017

Red nose day this year is on  
Friday 24th March.
