What we've done...

MY CHILDS ART

Thank you so much to all you parents and grandparents who supported us and bought bespoke artwork for your Christmas lists this year. You raised a wonderful **£189.73** for the school. Unfortunately, we heard a lot of displeasing things about our supplier this year, both from yourselves, and the committees own experiences with the company. We can't apologise enough to any of you who were less than perfectly happy with the process or your order. It has really disappointed us that you have been good enough to support us and then we have let you down! Rest assured we will not be dealing with this supplier again and we hope to provide you with the service you deserve next year!!

THE JANBOREE

We had a brilliant chilled out time at our January disco and we were so pleased that everyone braved the cold and joined us! After the craziness of The Spooktacular, The Janboree was a more laid-back and relaxed affair and we loved it just the same. You all raised a lovely **£340.61** for the school.....not bad considering everyone is feeling the squeeze in January!

FAMILY ICE SKATING

Our ice skating event this year was fantastic! There were simply masses of you there. The barrier was back, keeping the younger ones separate and the ice arena gave us full use of the push along penguins and ride on walrus absolutely free! We loved this community event just for the fun of it, but you also managed to raise a massive **£465.50** while you were skating, thank you!

Still to come...

KIDS MOVIE NIGHT STRAIGHT AFTER SCHOOL

Have a break from the school run and let the kids enjoy a cinema experience with FoNFS. We will be showing a film and serving a snack bag and drink to those who join us, so why not leave the kids with us and give yourselves a break from the mad rush.
