

We need your help...

Hull Woolly Zoo

Throughout the year, some of our more crafty members of staff will be attempting to recreate the 19th century Spring Bank Zoological Gardens in wool.

Every month we will be tweeting a new picture which will be added to our online enclosure on the History Centre Website.

We would love contributions from you. Anything wool based is welcome, from crochet chimps to felt frogs!

Hull History Centre Arcade is to become a Zoo!

At the end of 2017 we will be turning our arcade into a woolly zoo!

There will be hidden enclosures, fun facts and a trail leaflet to guide you through the exhibits.

**Can you knit up
a storm?**

**Is your felting
fierce?**
