You can scoot to school!

Remember to be Scooter Smart, look out for people using the pavement and walk across the road with your scooter. We have scooter parking racks you're your scooter. Please do not ride around the playground as we don't want anyone to get knocked over!

If you arrive by car

Could you share your car journey to help reduce the number of cars around school? Contact school to see if we can help you find a car share partner.

Could you park away from school and stride from the Co-op supermarket?

Please Travel Smart on your journey to school to help reduce the impact of traffic.

If you can - please walk to school. Walking is a great way to keep fit and it helps to keep the school gates free of cars. This makes it safer for children, it's also good for our neighbours and the environment. There is a footpath from Maple Avenue to Kirk Close.
