Impact of Interventions

The interventions are monitored throughout the year. Termly children's progress meetings focus on outcomes for individual children. Progress and attainment is tracked through assessment processes. Meetings with each child's key person and the evidence in the children's portfolios, as well as information from regular assessments are used to

measure the impact of the interventions.

Impact:

Literacy	90% at least typical progress 30% better than typical progress
Maths	90% at least typical progress 30% better than typical progress
Nurture	Improved well -being and self -regulation
Support for home learning	All parents accessed the maths home learning packs Targeted families of our younger children trialled the have the REAL programme. This will continue to run into the Autumn Term 2016
