

# Register for FREE Return to Teaching programme today

We recognise the decision to return to teaching can be a daunting one, particularly with recent changes to the education system. Our FREE Return to Teaching programme aims to make that transition far easier.

Starting on 23 March 2017, the intensive course will give you the confidence, skills and support you need to be school-ready for September.

It is suitable for both primary and secondary-trained teachers and includes:

- Three full days of professional development, covering curriculum changes and classroom management
  - Mentoring
  - Help and support with job matching and applications

With nine in ten Essex schools currently rated as good or outstanding by Ofsted and many schools offering flexible and part-time roles, there has never been a better time to return to the classroom.

So whether you have taken time out of the profession to raise a family, pursue another career or work as a supply teacher, our Return to Teaching programme could give you just the boost you need.

Book your place at [essexschoolsjobs.co.uk](http://essexschoolsjobs.co.uk) by 10 March 2017.
