

## **Andrew Bishop, Parent Governor**

### **Background**

My background is primarily in Law and I head up the Legal team for a Software Company based in Ealing, I also have a great deal of experience in Human Resources (HR). I was recently elected to the Board of the Supporters Trust for Tottenham Hotspur Football Club and have been Chair of the Parent Teacher Association (PTA) at Grange since October 2014. I have one son at Grange and he loves the school and is thriving.

### **Reasons for becoming a governor at Grange Primary School**

Living and working in Ealing and with my son being born here I am passionate about the local community and education in particular. I felt that the skills I have built up in the private sector could be put to good use within the school and have thoroughly enjoyed serving as a Governor since December 2014, I also saw it as a wonderful opportunity to expand my skillset within an environment I had not previously been immersed in.

### **What I can bring as a governor to Grange Primary School**

My background in Law and HR means I am well placed and well versed in many topics applicable to the school, whether it's policies, processes or finance matters. Also as someone who is heavily involved with the PTA I am lucky enough to get to spend a lot of time at the school hence get a good feeling of the wellbeing of the school.
