Traffic Issues in Haimo Road

Dear Local Resident,

We are sure that you, like us, are very concerned about the amount of traffic on Haimo Road during the beginning and end of the school day and the impact this has on everyone. We have already spoken with the council and invited them to Haimo School to discuss our concerns, but we are no further forward.

The School Council and one of our governors would like to invite you to a meeting on Tuesday 28th February 2017 at 1pm at Haimo School. At this meeting we would like to share our concerns with you and listen to your views on the situation. In this way we can work on a combined strategy to help solve the problems we are all experiencing.

We will be providing refreshments at the meeting and look forward to seeing you there.

Yours Sincerely,
Ms Seamons (Assistant Head Teacher)
& the Haimo Primary School Council
