

**ST JOHN THE EVANGELIST CE PRIMARY SCHOOL  
SPORTS FUNDING PLAN 2016-2017**

**Background to the Primary PE and Sports Premium**

PE & Sport Premium is funding provided to primary schools, in addition to main school funding. This funding is ring-fenced and therefore, can only be spent on the provision of PE and sport in schools. Initially the funding was only to be provided for 2013-14 and 2014-15, however since that time Prime Minister, David Cameron made a commitment to keeping the Primary PE and Sport Premium until 2020. It is for schools to decide how the PE and Sport funding is spent, since they are best placed to assess what additional provision should be made to enhance the provision for PE in school. Schools are held accountable for how they have used the additional funding.

**Objectives for PE and Sport Premium**

- To improve the provision of PE at St John the Evangelist CE Primary School; ensuring all pupils get two hours of quality PE teaching per week
- Broaden the sporting opportunities available to pupils outside of the school day
- To develop an enthusiasm for sport by children and staff

**Decisions on how to spend the premium and ensuring improvements are sustainable**

In September 2015 the decision was taken by senior leaders and the governing body to appoint a professional Sports Coach as a permanent fulltime PE teacher (unqualified). This has had a significant impact on raising the profile of PE & Sport, on improving provision and in raising pupil participation in sporting activities. Whilst the Premium only partially covers the salary commitment, as a school we believe the benefits fully justify continuing to use the funding in this way. This spending will be in addition to other sport related expenditure, for example buying into the services of an Extended Services Sports Programme with our local primary schools and providing extended swimming provision for pupils over and above the requirements in the National Curriculum. Our PE teacher delivers the majority of PE lessons across the school, as well as organising sporting activities at lunchtimes and delivering after-school sports clubs, festivals and competitions.

Spending on PE & Sport over 2016-17 and into the future, will be far in excess of our Premium funding, demonstrating the commitment of senior leaders and governors to the importance of continued and sustained improvement in the quality of PE and sporting opportunities offered to pupils at our school.
