16th February 2017

For the attention of Ann-Marie Moore (Headteacher)

Dear Ann-Marie,

We would like to take this opportunity to thank you on behalf of Everton Football Club for your involvement on The Safer Internet Day workshop held on Tuesday 7th February 2017.

Each and every single one of the children who took part in the day's activities participated excellently and their behaviour was outstanding. Their enthusiasm and attitude was obvious throughout the morning and we would like to thank all the students. The children are a credit to themselves and to the school.

The children helped the Blues and millions of others globally to bring awareness of Safer Internet Day and helped to explore the power and influences of images and videos in digital youth culture with thousands of other young people across the country.

The workshop and the messages shared by the children are invaluable in promoting this issue and highlighting how to be responsible on line.

We do hope the children enjoyed the morning as much as the staff members from Everton who were involved in the event.

Yours Sincerely

Adam Green
Head of Safeguarding – Everton Football Club

Michael King
School Sport Education Manager
