### Giant Library Book Update and Thank You

As our Giant Library Book Building opens on Thursday, we have many people to thank who have been involved in the process of developing the Book Building. A huge thank you to Simon O'Brien. The whole building and design was Simon's concept and through his passion and dedication he has worked tirelessly to see the project through to completion. Simon encouraged us to apply to the Mayoral Fund to finance the building and through this application the Mayoral Fund provided £38,000 towards the cost of the building. Thank you also to the many volunteers who have given their time, skills and energy to help bring the project to completion with the minimum impact on our budget. They include Jason Kirby, Ben Prince, members of the PFA, Mr Carrick and Jay Dorricot of Rainford Timbers, Jamie Mc Neil of Manuka Roofing, Phil Carroll – electrician and the staff from Kids Club. Due to such an incredible and combined community effort we now have a completely unique library space for our children and, in the future, our Woolton neighbours and residents too! We hope you will join us in the coming weeks to visit our new library and appreciate just how lucky WPS is to have a gift from a giant!
