Musical instrument lessons opportunity

Dear Parents/Carers,

The Greenwich Saturday morning music centre programme (RGMC) is now taking on beginners on most instruments, if your child is interested in learning an instrument please go to the website at www.RGMC.online and click on the **APPLY HERE** button.

The music centre provides small group and ensemble training for Greenwich's talented young musicians and it takes place in the excellent facilities at Plumstead Manor school.

Your child's first term at the centre will be provided **free of charge** in order to allow them a chance to settle in, make new friends and decide whether the programme is for them. Additionally, where required, **every child attending a centre enjoys a free instrument loan** for the duration of their membership.

There are a limited number of places at RGMC so we strongly urge you to apply early in order to avoid disappointment. (Support may be available for those experiencing financial difficulties according to circumstances).

Best wishes,

Ms Webber
Music Co-ordinator
