

Montgomery Junior School

Open your mind ▶ choose your future

6th March 2017

Dear Parents and Carers,

Part of our Year 6 reading curriculum requires pupils to collect and present information to others. Pupils have been asked to prepare a short presentation on a topic of their choice which they will present to the class, or a small group of classmates if they choose.

We will let you know the date your child has chosen to share their presentation via your child's homework book. We kindly ask you to support your child in choosing a suitable topic to talk about. Pupils will be able to use notes and anything else they feel will support their presentation.

Pupils are also required to learn a variety of poems off by heart and should be able to recite one or two of these to an audience. We have been working on developing this skill in large groups, pairs and individually. Any support you can offer your child in achieving this skill would be highly appreciated. There are many poetry books available in the school library for pupils to borrow if they wish to.

Many thanks for your continued support.

Miss Cannons and Mrs Planting
