

Grange Primary School

“Our school is a Safer School”

We implement essential security/safety measures for staff, pupils & property.

Security/safety is regularly reviewed by our Safer School Group.

If parents have an issue or concern, the Safer School Group needs to know.

Through our newsletters we update parents on Safer School progress.

Visitors on our school grounds wear a school visitor badge.

We consult parents/carers and pupils for their views.

School problems are reviewed by our Safer School Group.

We use a risk management process and analyse issues or problems.

The school's curriculum illustrates how crime or problems impact on a school and life.

The school governors have endorsed the Safer School scheme.

Our curriculum includes good citizenship.

We have professional advice and support from the Police and Council.
