

Howard Street Nursery School  
Charging Policy (2016 - 2017)

It is Howard Street Nursery School's policy not to charge our children for any activity that is incorporated into the school day. Voluntary contributions may be requested (if necessary) to cover the cost of trips and special events organised to enrich the delivery of the curriculum. No child will be excluded if a contribution is not received, however plans may have to be cancelled if sufficient contributions are not received.

**Review and Monitoring**

- This policy will be reviewed annually

Review date: Spring 2018
