Changes to Costs of Meals and Breakfast Club

Dear Parents/Carers,

As mentioned in our March newsletter, there will be changes to the cost of school meals and breakfast club from April.

We have been informed by our caterers, GS Plus, that the cost of school meals will increase by 20p per day to **£1.80 bringing the cost to £9 per week**. Although the price has risen, this still means that the cost of our meals remains one of the lowest in all London Boroughs. The price increase will come into effect on our return to school after the Easter break. If you are in receipt of certain benefits you may be entitled to free school meals and also clothing and school journey grants.

Our breakfast club which runs from 7.45am until the beginning of school offers our children a nutritional start to the day and allows parents to attend work or college on time. Previously we received funding from Magic Breakfast, a charitable organisation, however that funding stopped. We have now received the good news that partial funding will begin again from April. This means that the cost will reduce to **50p per child per day**. If you would like your child to attend please just turn up on the day; there is no need to book.

Please see the reverse of this letter for more information on free school meals, Pupil Premium and an offer of free antivirus software. If you would like any further information please contact the School Office Team.

Yours Sincerely

Ms J Andrews
School Business Manager
