

**RE:**

Learning about a non Christian faith –  
Passover

Christianity - Easter

**History:**

The main focus this term will be Geography based, but we will be learning about the Ancient Egyptians after half term. Watch this space!

**Art/ DT:**

We will be focussing on our drawing/sketching techniques.

Food preparation will be our focus in DT – planning and preparing a healthy meal. We will looking at food sources around the world and understanding different food cultures.

**ICT:**

Retrieving information, using statistics and monitoring weather will be a key focus.

Children will also use excel linked to mathematics – creating graphs and charts.

# Antarctica

Spring term 2017-01-05

Class 4

**Maths:** 5 lessons each week – covering the Lancashire objectives. Mental arithmetic will be a weekly focus and the year 6 children will be working towards their SATs. Maths booster groups will continue and your child may be given extra sessions/ homework throughout the term.

**English:** 5 lessons each week – including SPAG, reading comprehension and Big Writes. Our class reader will be The Lion, The Witch and the Wardrobe and we will be studying poetry. Information texts and debating will also be covered, linked to the Antarctica topic.

**French:**

Seasons, weather and animals will be covered. We will also link to the DT topic with food tasting and making.

**Science:**

Properties and changes of materials.

Living things and adaptations.

**Geography:**

This will be our main focus of the term – learning all about Antarctica. This will include studying climate zones, biomes, vegetation belts and threats to climate change.

**PSHE:**

Making choices – healthy lifestyle.

Influences – peer pressure, cyber world, advertising...

**PE:**

Swimming continues this half term.

1 session PE curriculum with Mrs Topham.
