

Millwood Primary Special School
Allocation and Expenditure of Primary School PE and Sports Funding
(September 2016- August 2017)

Introduction

The government is providing additional funding per annum for academic years to improve provision of physical education (PE) and sport in primary schools.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must use the funding to make additional and **sustainable** improvements to the quality of PE and sport they offer.

This means that we should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, we can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Funding Allocation (Sept 2016- August 2017)

Pupils on roll aged in year 1-6 as record on the annual school census (£8000 + £5 per pupil)	Number of pupils 114	Funding 8570
