Safeguarding and Child Protection Policy November 2016

AIMS OF THIS POLICY

- To ensure that children are effectively safeguarded from the potential risk of harm at Kexborough Primary School and that the safety and wellbeing of the children is of the highest priority in all aspects of the school's work.
- To help the school maintain its ethos whereby staff, pupils, parents and governors feel able to articulate any concerns comfortably, safe in the knowledge that effective action will be taken as appropriate.

PURPOSE OF THIS POLICY

To ensure that all members of the school community...
...are aware of their responsibilities in relation to safeguarding and child protection.
...know the procedures that should be followed if they have a cause for concern.
...know where to go to find additional information regarding safeguarding.
...are aware of the key indicators relating to child abuse.
...fully support the school's commitment to safeguarding and child protection.

The school Child Protection Policy should also be read in conjunction with Working Together to Safeguard Children (HM Government 2010)

1 PRINCIPLES

- 1.1 Section 175 and 157 of the Education Act 2002 gives maintained schools and academies a statutory duty to promote and safeguard the welfare of children, and have due regard to guidance issued by the Secretary of State¹ at all times.
- 1.2 This school recognises its legal and moral duty to promote the well-being of children, and protect them from harm, and respond to child abuse concerns when they arise.
- 1.3 We believe that every child and young person has at all times and in all situations a right to feel safe and protected from any situation or practice that results in a child being physically or psychologically damaged.
- 1.4 We agree that we have a primary responsibility for the care, welfare and safety of the pupils in our charge, and we will carry out this duty through our teaching and learning, extracurricular activities, pastoral care and extended school activities. In order to achieve this, all members of staff (including volunteers and governors) in this school, in whatever capacity, will at all times act proactively in child welfare matters especially where there is a possibility that a child may be at risk of significant harm.
- 1.5 The school seeks to adopt an open and accepting attitude towards children as part of their responsibility for pastoral care. The school hopes that parents and children will feel free to talk about any concerns and will see school as a safe place if there are any difficulties at home.
- 1.6 Children's worries and fears will be taken seriously if they seek help from a member of staff. However, staff must not promise secrecy if concerns are such that referral must be made to the appropriate agencies in order to safeguard the child's welfare.
- 1.7 In our school, if there are suspicions that a child's physical, sexual or emotional well-being is being, or is likely to be, harmed, or that they are being neglected, appropriate action will be taken in accordance with the Child Protection procedures issued by Barnsley Safeguarding Children Board (www.safeguardingchildrenbarnsley.com).
- 1.8 As a consequence, we

- assert that teachers and other members of staff (including volunteers) in the school are an integral part of the child safeguarding process;
- accept totally that safeguarding children is required and is an appropriate function for all members of staff in the school, and wholly compatible with their primary pedagogic responsibilities.
- recognise that safeguarding children in this school is a responsibility for all staff, including volunteers, and the Governing body;
- will ensure through training and supervision that all staff and volunteers in the school are alert to the possibility that a child is at risk of suffering harm, and know how to report concerns or suspicions;
- will designate a senior member of staff with knowledge and skills in recognising and acting on child protection concerns. He or she will act as a source of expertise and advice, and is responsible for coordinating action within the school and liaising with other agencies; (Designated Safeguarding Lead)
- ensure (through the Designated Safeguarding Lead) that all staff with designated responsibility for child protection will receive appropriate training to the minimum standard set out by the Barnsley Safeguarding Children Board (BSCB)
- will share our concerns with others who need to know, and assist in any referral process;
- will ensure that all members of staff and volunteers who have a suspicion or concern that a child may be suffering, or may be at risk of suffering significant harm, refer such concerns to the Designated Safeguarding Lead, who will refer on to Children's Social Care Assessment and Joint Investigation Service in accordance with the procedures issued by Barnsley Safeguarding Children Board.
- safeguard the welfare of children whilst in the school, through positive measures to address bullying, especially where this is aggravated by sexual or racial factors, disability or special educational needs, cyber bullying or Internet technologies
- will ensure that all staff are aware of the Child Protection Procedures established by Barnsley Safeguarding Children Board and, where appropriate, the Local Authority, and act on any guidance or advice given by them;
- will ensure through the recruitment and selection of volunteers and paid employees that all people who work in our school are suitable to work with children,
- will act swiftly and make appropriate referrals to the Local Authority Designated Officer where an allegation is made that a member of staff has committed an offence against a child, harmed a child, or acted in a way that calls into question their suitability for working with children.

2 DESIGNATED SAFEGUARDING LEAD IN SCHOOL

- 2.1 The Designated Safeguarding Lead for safeguarding and child protection in this school is: **Mrs G Ellis.**
- 2.2 In their absence, these matters will be dealt with by the Deputy Designated Safeguarding Lead: **Miss J Mackay**
- 2.3 The designated person is key to ensuring that proper procedures and policies are in place and are followed with regard to child safeguarding issues. They will also act as a dedicated resource available for other staff, volunteers and governors when they may have child

protection concerns to discuss.

2.4 The school recognises that:

- the Designated Safeguarding Lead need not be a teacher but must have the status and authority within the school management structure to carry out the duties of the post – they must therefore be a senior member of staff in the school.
- all members of staff (including volunteers) must be made aware of who this person is and what their role is.
- The Designated Safeguarding Lead will act as a source of advice and coordinate action within the school over child protection cases
- The Designated Safeguarding Lead will need to liaise with other agencies and build good working relationships with colleagues from these agencies.
- They should possess skills in recognising and dealing with child welfare concerns.
- Appropriate training and support should be given.
- The Designated Safeguarding Lead is the first person to whom members of staff report concerns.
- The Designated Safeguarding Lead is responsible for referring cases of suspected abuse or allegations to the relevant investigating agencies according to the procedures established by the BSCB.
- The Designated Safeguarding Lead is not responsible for dealing with allegations made against members of staff, [unless the Designated Safeguarding Lead is also the headteacher](#).
- The Designated Safeguarding Lead will also ensure that the school is represented at Child Protection Conferences and that the required reports are written and available within the appropriate timescales as prescribed by Barnsley Safeguarding Children Board and discussed with families in advance of Conference.

2.5 To be effective they will:

- Act as a source of advice, support and expertise within the school and be responsible for coordinating action regarding a request for service by liaising with Children's Social Care and other relevant agencies over suspicions that a child may be suffering harm.
- Cascade safeguarding advice and guidance issued by Barnsley Safeguarding Children Board.
- Where they have concerns that a request for service has not been dealt with in accordance with the child protection procedures, they can discuss this with the Head of Safeguarding and Welfare/members of the Safeguarding Unit and consider what needs to happen next.
- Ensure each member of staff and volunteers at the school, and regular visitors (such as Education Welfare Officers, Connexions personal advisors, trainee teachers and supply teachers) are aware of and can access readily the Child Protection and Safeguarding Policy.
- Liaise with the headteacher (if the headteacher is not the Designated Safeguarding Lead) to inform him/her of any safeguarding issues and ongoing investigations and ensure there is always cover for the role.
- Ensure that this policy is updated and reviewed annually and work with the designated governor for child protection to ensure this takes place.

- Be able to keep detailed accurate secure written records of referrals/concerns, and ensure that these are held in a secure place.
- Ensure parents are aware of the Child Protection Policy in order to alert them to the fact that the school may need to make referrals of concerns to Children's Social Care. Raising parents' awareness may avoid later conflict if the school does have to take appropriate action to safeguard a child.
- Where children leave the school roll, ensure any child protection file is transferred to the new school as soon as possible but certainly within the 15 day national requirement, separately from the main file, and addressed to the Designated Safeguarding Lead for child protection. Wherever possible, this should include a face to face discussion and handover of the records. Both schools should sign a form to confirm the handover of the records, both schools should retain a copy of the transfer form.
- Where a child leaves and the new school is not known, ensure that the local authority is alerted so that the child's name can be included on the database for children missing education. The Local Authority should also be informed if a parent is considering elective home education so the relevant checks can be completed. Referrals regarding Elective Home Education and Children Missing Education should be made to the Education Welfare Service.

2.5 The Designated Safeguarding Lead also has an important role in ensuring all staff and volunteers receive appropriate training. They should:

- Attend training in how to identify abuse and know when it is appropriate to refer a case. (Training is every two years.)
- Have a working knowledge of how Barnsley Safeguarding Children Board operates and the conduct of a child protection case conference and be able to attend and contribute to these when required, to enhance the implementation of the Child Protection Plan.
- Attend any relevant training courses or workshops and then ensure that any new or key messages are passed to other staff, volunteers and governors.
- Make themselves (and any deputies) known to all staff, volunteers and governors (including new starters and supply teachers) and ensure those members of staff have had training in child protection. This should be relevant to their needs to enable them to identify and report any concerns to the designated Safeguarding Lead immediately.

3 DESIGNATED GOVERNOR

The Designated Governor for Safeguarding at this school is: [Toni Harvey](#)

- 3.1 Where appropriate, the Governors will ensure that sufficient resources are made available to enable the necessary tasks to be carried out properly under inter-agency procedures.
- 3.2 The Governors will ensure that the designated member of staff for safeguarding is given sufficient time to carry out his or her duties, including accessing training.
- 3.3 The Governors will review safeguarding practices in the school on a regular basis, and no less than annually, to ensure that:
- The school is carrying out its duties to safeguard the welfare of children at the school;
 - Hold a termly monitoring meeting with the designated safeguarding lead with an agreed focus.
 - Members of staff and volunteers are aware of current child protection practices and that staff

receive training where appropriate;

- Child protection is integrated into the school induction procedures for all new members of staff and volunteers and supply staff.
- The school follows the procedures agreed by Barnsley Safeguarding Children Board, and any supplementary guidance issued by the Local Authority
- All staff, volunteers etc will be vetted to ensure that only persons suitable to work with children shall work in the school.
- Where safeguarding concerns about a member of staff are raised, appropriate action will be taken in line with BSCB Allegations against Staff Procedures and BMBC Disciplinary Procedures and DfE guidance Dealing with Allegations of Abuse against teachers and other staff. Guidance for Local Authorities, Head Teachers, School Staff, Governing Bodies and Proprietors of Independent Schools (dfe guidance 2012).

4 RECRUITMENT

4.1 In order to ensure that children are protected whilst at this school, we will ensure that our staff and volunteers are carefully selected, screened, trained and supervised.

4.2 We accept that it is our responsibility to follow the guidance set out in “Safeguarding Children and Safer Recruitment in Education”, in particular we will ensure that the following checks are satisfactorily completed before a person takes up a position in the school:

- Identity checks to establish that applicants are who they claim to be² eg having sight of an applicant's birth certificate, passport and/or driving licence
- Academic qualifications, to ensure that qualifications are genuine
- Professional and character references prior to offering employment
- Satisfy conditions as to health and physical capacity
- Previous employment history will be examined and any gaps accounted for.
- DBS Checks will also be completed. Enhanced checks for Governors are also undertaken.
- The process should also confirm that the Preventing Illegal Working Declaration of Entitlement to Work in the UK is completed.

5 VOLUNTEERS

5.1 We understand that some people otherwise unsuitable for working with children may use volunteering to gain access to children; for this reason, any volunteers in the school, in whatever capacity, will be recruited in line with BMBC Recruitment Policy.

5.2 ‘Working with Volunteers’ policy is in place and WWV1 forms are used for all volunteers working within school.

6 INDUCTION & TRAINING

6.1 All new members of staff will receive induction training, which will give them an overview of the organisation and ensure they know its purpose, values, services and structure, as well as how to identify and report abuse, child protection concerns within the appropriate levels of confidentiality.

- 6.2 All new staff at the school (including volunteers) will receive child protection information (What To Do If You Suspect A Child Is Being Abused) and a copy of the Safeguarding and Child Protection policy on starting their work at the school. Also all staff are required to read the 'Keeping Children Safe in Education' Part One document issued by the DfE
- 6.3 All staff will be expected to attend training on safeguarding children and this will enable them to fulfil their responsibilities in respect of child protection effectively. The school will provide access to this training and new staff will also as part of their induction, complete the on line safeguarding training which can be accessed via www.safeguardingchildrenbarnsley.com.
- 6.4 **All staff members should receive appropriate safeguarding and child protection training which is regularly updated. In addition all staff members should receive safeguarding and child protection updates (for example, via email, e-bulletins and staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.**
- All Staff will attend refresher training every three years, and the Designated Safeguarding Lead every two years. In addition to their formal training, their knowledge and skills should be updated, (for example via e-bulletins, meeting other designated safeguarding leads, or taking time to read and digest safeguarding developments), at regular intervals, but at least annually, to keep up with any developments relevant to their role.**
- 6.5 Staff visiting the school for short periods of time e.g. 1 day supply cover, will receive information in relation to safeguarding children and the procedures they must follow. (See Induction Policy)
- 6.6 All adults are required to attend safeguarding training. Attendance at school training will also be open to parent helpers, volunteers, extended schools providers, governors and any other parties that come in to contact with children on a regular basis. These staff will also be signposted to the online training available via the Barnsley Safeguarding Children Board website.
- 6.7 For staff who are unable to access face to face Safeguarding awareness training the school expects them to complete online training as above. All NQTs and students are expected to have completed the Safeguarding awareness training prior to commencing their employment.

7 DEALING WITH CONCERNS

- 7.1 It is not the responsibility of any member of staff or volunteer to investigate any suspicions or concerns that a child/young person is at risk of or is suffering significant harm.
- 7.2 Their concerns should be reported to the Designated Safeguarding Lead immediately and should also be recorded using the school's Cause for Concern documentation.
- 7.3 A Cause for Concern is an action, observation or discussion that makes you feel anxious about the safety or wellbeing of a child.
- 7.4 All causes for concern must be recorded on the Cause for Concern record and must be passed to the Designated Safeguarding Lead immediately.
- 7.5 The Designated Safeguarding Lead will decide on the appropriate actions, completing the section 'For designated teacher use' on the Cause for concern form.

- 7.6 The Designated Safeguarding Lead will consider if the issue needs to be passed to Children's Social Care Assessment and Joint Investigation Team for further action via a telephone conversation and the Request for a Service procedure.
- 7.8 A Vulnerable Pupil file will also be raised and this includes:
- Vulnerable Pupil Information Sheet
 - Monitoring Record sheet
 - Cause for concern form
 - Sticker on the front of the folder indicating if there are any other siblings
 - The folder is placed in the 'live' Vulnerable Pupils and Families Section
 - Make relevant staff aware that the file has been raised.
- 7.9 All discussions, telephone calls and meetings in relation to the child/young person must be recorded on the monitoring record sheet.
- 7.10 The Designated Safeguarding Lead and other appropriate professionals will hold a monthly meeting to discuss and review all live and dormant records. The Designated Safeguarding Lead will then be able to:
- monitor that the agreed actions have taken place
 - assess the impact of the actions and the progress being made
 - agree the next steps
 - quality assure the written records
 - collate a report for the Governing body outlining the level of child protection concerns and work being undertaken
 - ensure that clear actions are followed up where there is a Child Protection Plan in place and the outcomes are monitored.
 - Ensure school is represented at Core Groups and Conferences
- 7.17 The documentation for each child/young person must be stored in a secure place.

8. DEALING WITH IMMEDIATE DANGER OR AT RISK OF HARM

- 8.1 If a child is in immediate danger or is at risk of harm, a referral should be made to children's social care and/or the police immediately. Anyone can make a referral. Where referrals are not made by the designated safeguarding lead, the designated safeguarding lead should be informed as soon as possible that a referral has been made. Reporting child abuse to your local council <https://www.gov.uk/report-child-abuse-to-local-council> directs staff to their local children's social care contact number.

8.2 Record keeping

All concerns, discussions and decisions made and the reasons for those decisions should be recorded in writing. If in doubt about recording requirements, staff should discuss with the designated safeguarding lead.

9 EARLY HELP

- 9.1 What do we mean by Early Help?

Early Help means taking action to support a child, young person or their family early in the life of a problem, as soon as it emerges. It can be required at any stage in a child's life from pre-birth to adulthood, and applies to any problem or need that the family cannot deal with or meet on their own. It also applies to all children and young people, with any form of need. Early Help requires that agencies should work together as soon as a problem emerges or a need is identified to ensure the child gets the right response, and the right services, from the right people at the right time. Our aim is to meet need early and avoid a problem escalating or the need increasing. Early Help is provided to prevent or reduce the need for specialist interventions unless they are absolutely the correct response to meet the need and resolve the problem.

Early Help can be provided in the most complex of circumstances as well as the simplest. Early help means responding promptly if a child is at immediate risk of harm (or has other significant or complex needs) as much as it means responding to a need which only requires advice or guidance.

9.2 The Key Steps

There are 4 key steps to providing early help

- 9.2.1 SEE identify that there is a possible issue, problem or need and find out more from the child or young person, their parents or carers, and other professionals and agencies who know the child as necessary
- 9.2.2 PLAN - assess the need and plan with the child, young person and their parents or carers, alongside other professionals as necessary how best to meet that need
- 9.2.3 DO – agree who will lead the plan, implement the plan together, commission or provide the service (s)
- 9.2.4 REVIEW - review progress, change the plan, change services or withdraw because the help is no longer needed

For detailed information on Early Help please refer to the Working Together to Safeguard Children March 2015 Chapter 1 which can be found at www.gov.uk

10. Peer on Peer Abuse

Peer on peer abuse is when a child might have been abused by another child. Be aware safeguarding issues can manifest themselves via peer on peer abuse. This is most likely to include, but not limited to: bullying (including cyber bullying), gender based violence/sexual assaults and sexting. Staff should recognise that children are capable of abusing their peers. Staff must challenge any form of derogatory and sexualised language or behaviour. Staff should be vigilant to sexualised/aggressive touching/grabbing particularly towards girls. Behaviours by children should never be passed off as 'banter' or 'part of growing up'. The DFE states '*peer on peer abuse should be taken as seriously as abuse by adults and should be subject to the same child protection procedures. Professionals should not dismiss abusive behaviour as normal between young people and should not develop high thresholds before taking action.*'

If one child or young person causes harm to another, this should not necessarily be dealt with as abuse: bullying, fighting and harassment between children are not generally seen as child protection issues. However, any concern must be referred to the Designated Safeguarding Lead/Deputy Safeguarding Lead particularly if:

- There is a large difference in power (for example age, size, ability, development) between the young people concerned; or
- The perpetrator has repeatedly tried to harm one or more other children; or
- There are concerns about the intention of the alleged perpetrator.

If the evidence suggests that there was an intention to cause severe harm to the victim, this should be regarded as abusive whether or not severe harm was actually caused.

10.1 What to do if you are concerned.

If a child makes an allegation or disclosure of abuse against an adult or other child or young person, it is important that you:

- Stay calm and listen carefully.
- Reassure them that they have done the right thing in telling you.
- Do not investigate or ask leading questions.
- Let them know that you will need to tell someone else.
- Do not promise to keep what they have told you a secret.
- Inform your Designated Safeguarding Lead as soon as possible
- Make a written record of the allegation, disclosure or incident which you must sign, date and record your position.

If you are concerned that a member of staff or adult in a position of trust poses a danger to a child or young person or that they might be abusing a child or young person you should report your concerns to the Head teacher. Where those concerns relate to the Headteacher however, this should be reported to the Chair of Governors using the schools Whistle blowing policy.

10.2 Sexting

The term 'sexting' is used to describe the sending and receiving of sexually explicit photos, messages and video clips, by text, email or posting them on social networking sites. It's increasingly done by young people who send images and messages to their friends, partners, or even strangers they meet online.

At Kexborough Primary School children are not allowed to bring mobile devices into school. If an incident were to occur in school follow the steps below.

Sexting disclosures should follow the normal safeguarding practices and protocols. A student is likely to be very distressed especially if the image has been circulated widely and if they don't know who has shared it, seen it or where it has ended up. They will need pastoral support during the disclosure and after the event. They may even need immediate protection or a referral to social services.

The following questions will help decide upon the best course of action:

- Is the pupil disclosing about themselves receiving an image, sending an image or sharing an image?
- What sort of image is it? Is it potentially illegal or is it inappropriate?
- Are the school child protection and safeguarding policies and practices being followed? For example, is the Designated Safeguarding Lead (DSL) for child protection on hand and is their advice and support available?
- How widely has the image been shared and is the device in the pupil's possession?
- Is it a school device or a personal device?
- Does the pupil need immediate support and or protection?
- Are there other pupils and or young people involved?
- Do they know where the image has ended up?

This situation will need to be handled very sensitively. Whatever the nature of the incident, ensure school safeguarding and child protection policies and practices are adhered to.

11. Children with SEN and Disabilities

Kexborough primary understands that some children, including those with Special Educational Needs or Looked After, may be more vulnerable to abuse. 'Children with special educational needs (SEN) and disabilities can face additional safeguarding challenges. This can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers

At Kexborough Primary we identify children at risk on our SEN Register.

12. Information on so-called 'honour based' violence

So-called 'honour-based' violence (HBV) encompasses crimes which have been committed to protect or defend the honour of the family and/or the community, including Female Genital Mutilation (FGM), forced marriage, and practices such as breast ironing. All forms of so called HBV are abuse (regardless of the motivation) and should be handled and escalated as such. If in any doubt, staff should speak to the designated safeguarding lead. Professionals in all agencies, and individuals and groups in relevant communities, need to be alert to the possibility of a child being at risk of HBV, or already having suffered HBV.

12.1 Indicators

There are a range of potential indicators that a child may be at risk of HBV. Guidance on the warning signs that FGM or forced marriage may be about to take place, or may have already taken place, can be found on pages 38-41 of the Multi agency statutory guidance on FGM (pages 59-61 focus on the role of schools and colleges) - https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/512906/Multi_Agency_Statutory_Guidance_on_FGM_-_FINAL.pdf

and pages 13-14 of the Multi-agency guidelines: Handling case of forced marriage - https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/322307/HMG_MULTI_AGENCY_PRACTICE_GUIDELINES_v1_180614_FINAL.pdf

12.2 Actions

If staff have a concern regarding a child that might be at risk of HBV, they should activate local safeguarding procedures, using existing national and local protocols for multi-agency liaison with police and children's social care. Where FGM has taken place, since 31.10.15 that requires a different approach (see following section)

12.3 FGM Mandatory Reporting Duty

FGM comprises all procedures involving partial or total removal of the external female genitalia or other injury to the female genital organs. It is illegal in the UK and a form of child abuse with long-lasting harmful consequences.

Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon **teachers** along with regulated health and social care professionals in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. It will be rare for teachers to see visual evidence, and they should not be examining pupils, but the same definition of what is meant by “to discover that an act of FGM appears to have been carried out” is used for all professionals to whom this mandatory reporting duty applies. Information on when and how to make a report can be found at [Mandatory reporting of female genital mutilation procedural information](#).

Teachers **must** personally report to the police cases where they discover that an act of FGM appears to have been carried out. FGM Fact Sheet - https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/496415/61639_HO_SP_FGM_mandatory_reporting_Fact_sheet_Web.pdf.

Unless the teacher has a good reason not to, they should also still consider and discuss any such case with the school or college’s designated safeguarding lead and involve children’s social care as appropriate. The duty does not apply in relation to at risk or suspected cases (i.e. where the teacher does not discover that an act of FGM appears to have been carried out, either through disclosure by the victim or visual evidence) or in cases where the woman is 18 or over. In these cases, teachers should follow local safeguarding procedures.

12.4 Forced marriage

Forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. A lack of full and free consent can be where a person does not consent or where they cannot consent (if they have learning disabilities, for example). Nevertheless, some communities use religion and culture as a way to coerce a person into marriage. Schools and colleges can play an important role in safeguarding children from forced marriage.

13. PREVENT DUTY

From 1 July 2015 all schools, registered early years childcare providers and registered later years childcare providers are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015, in the exercise of their functions, to have “due regard to the need to prevent people from being drawn into terrorism”. This duty is known as the **Prevent Duty**.

In order for Kexborough Primary School to fulfil the Prevent Duty, it is essential that staff are able to identify children who may be vulnerable to radicalisation, and know what to do when they are identified. Protecting children from the risk of radicalisation should be seen as part of schools’ and childcare providers’ wider safeguarding duties, and is similar in nature to protecting children from other harms (e.g. drugs, gangs, neglect, sexual exploitation), whether these come from within their family or are the product of outside influences.

Staff can also build pupils’ resilience to radicalisation by promoting fundamental British Values and enabling them to challenge extremist views. It is important to emphasise that the Prevent Duty is not intended to stop pupils debating controversial issues. On the contrary, schools should provide a safe space in which children, young people and staff can understand the risks associated with terrorism and develop the knowledge and skills to be able to challenge extremist arguments.

There is no single way of identifying an individual who is likely to be susceptible to a terrorist ideology. As with managing other safeguarding risks, staff should be alert to changes in children’s behaviour which could indicate that they may be in need of help or protection.

Children at risk of radicalisation may display different signs or seek to hide their views. School staff should use their professional judgement in identifying children who might be at risk of radicalisation and act proportionately. Staff Training will be provided.

14 SAFEGUARDING IN SCHOOL

14.1 As well as ensuring that child protection concerns are addressed, we will also ensure that children who attend the school are kept safe from harm whilst they are in our charge.

14.2 To this end, this policy must be seen in conjunction with the school's policies on:

- Personal, Social and Health Education and Sex and Relationships Education; child protection issues will be addressed through the curriculum as appropriate.
- Anti Bullying Policy; the school will also ensure that bullying and racial harassment is identified and dealt with so that any harm caused by other pupils can be minimised. We will pay particular attention to sexualized behaviour, or bullying that is homophobic in nature, cyber bullying or where there appear to be links to domestic abuse in the family home. Incidents of bullying will be investigated, recorded through the Cause for Concern Process and reported to the Local Authority on the electronic recording system.
- Safe recruitment
- Code of conduct for staff
- Confidentiality
- Behaviour and discipline
- Health & Safety
- Physical Intervention - managing challenging behaviour
- Allegations against members of staff
- E-safety
- Whistle Blowing
- Visitors policy
- Induction policy
- Information sharing policy
- Supervision Policy
- Children Missing Education

15 Virtual School Head

Virtual school heads receive pupil premium plus additional funding based on the latest published numbers of children looked after in the authority. In maintained schools and academies, the designated teacher should work with the virtual school head to discuss how that funding can be best used to support the progress of looked after children in the school and meet the needs identified in the child's personal education

16 PHOTOGRAPHING CHILDREN

16.1 We understand that parents like to take photos of or video record their children in the school play, or at sports day, or school presentations. This is a normal part of family life, and we will not discourage parents from celebrating their child's successes.

16.2 However, if there are Health and Safety issues associated with this - i.e. the use of a flash when taking photos could distract or dazzle the child, and cause them to have an accident, we will encourage parents to use film or settings on their camera that do not require flash.

16.3 We will not allow others (visitors to school e.g. theatre groups or workshop providers) to photograph or film pupils during a school activity without the parent's permission.

- 16.4 We will not allow images of pupils to be used on school websites, publicity, or press releases, without express permission from the parent, and if we do obtain such permission, we will not identify individual children by name.
- 16.5 The school cannot however be held accountable for photographs or video footage taken by parents or members of the public at school functions.
- 16.6 At the start of each academic year parental consent to the taking and use of photographs and videos will be updated for each pupil
- 16.7 The allowing of photographs and videos will be at the discretion of the Headteacher.

17 CONFIDENTIALITY and INFORMATION SHARING (refer to the School Confidentiality and Information Sharing Policy)

- 17.1 The school, and all members of staff at the school, will ensure that all data about pupils is handled in accordance with the requirements of the law, and any national and local guidance.
- 17.2 Any member of staff who has access to sensitive information about a child or the child's family must take all reasonable steps to ensure that such information is only disclosed to those people who need to know.
- 17.3 Regardless of the duty of confidentiality, if any member of staff has reason to believe that a child may be suffering harm, or be at risk of harm, their duty is to forward this information without delay to the designated Safeguarding Lead.

18 CONDUCT OF STAFF

- 18.1 The school has a duty to ensure that high standards of professional behaviour exist between staff and children, and that all members of staff are clear about what constitutes appropriate behaviour and professional boundaries.
- 18.2 At all times, members of staff are required to work in a professional way with children. All staff should be aware of the dangers inherent in:
- working alone with a child
 - physical interventions
 - cultural and gender stereotyping
 - dealing with sensitive information
 - giving to and receiving gifts from children and parents
 - contacting children through private telephones (including texting), e-mail, MSN, or social networking websites.
 - disclosing personal details inappropriately
 - meeting pupils and families outside school hours or school duties
- 18.3 If any member of staff has reasonable suspicion that a child is suffering harm, and fails to act in accordance with this policy and Barnsley Safeguarding Children Board procedures, we will view this as misconduct, and take appropriate action
- 18.4 An agreed code of conduct in relation to safeguarding has been agreed and adopted by all adults working with children at Kexborough School. Any member of staff who does not adhere to the policy will be subject to disciplinary procedures
- 18.5 An agreed Whistle Blowing policy in relation to safeguarding (appendix 1) to supplement to BMBC corporate policy has been agreed in order to support the school ethos where pupils

and staff can talk freely about concerns knowing they will be listened to and appropriate action taken.

18.6 There are a range of mechanisms in place to ensure that pupils feel comfortable to express their concerns to adults for example:

- To the school learning mentor via concern boxes
- Through encouragement to discuss issues at school assemblies
- Via the school council meetings
- Learning mentor drop in sessions
- An open approach to discussing issues with staff

19 PHYSICAL CONTACT AND RESTRAINT

19.1 Members of staff may have to make physical interventions with children. Members of staff will only do this in line with school policy on managing challenging behaviour (cross reference to policy xxx)

19.2 All staff should have undertaken Team Teach training and interventions should be in accordance with the Team Teach principles.

20 ALLEGATIONS AGAINST MEMBERS OF STAFF

20.1 If anyone makes an allegation that any member of staff (including any volunteer or Governor) may have:

- Possibly committed an offence against or related to a child
- Behaved in a way that has harmed or may have harmed a child
- Behaved towards a child in a way which indicates s/he would pose a risk of harm if they worked regularly or directly with children.

20.2 The allegation will be dealt with in accordance with national guidance and agreements, as implemented locally by BSCB.

20.3 The head teacher, rather than the designated member of staff will handle such allegations, unless the allegation is against the head teacher, when the chair of governors will handle the school's response.

20.4 The head teacher (or chair of governors) will collate basic information about the allegation, and report these without delay to the Local Authority Designated Officer (LADO). The LADO will discuss the concerns and offer advice and guidance on how the situation will be managed and if a strategy meeting will be required.

20.5 The Headteacher should not investigate the concerns or discuss with the alleged perpetrator without having spoken to the LADO.

21 BEFORE AND AFTER SCHOOL ACTIVITIES

21.1 Where the Governing Body transfers control of the use of the school premises to bodies (such as sports clubs) to provide out of school hours activities, we will ensure that these bodies have appropriate safeguarding and child protection policies and procedures in place, and that there are arrangements in place to link with the school on such matters. Such considerations

will be made explicit in any contract or service level agreement with the bodies.

22 CONTRACTED SERVICES

- 22.1 Where the Governing Bodies contracts its services to outside providers, we will ensure that these providers have appropriate safeguarding and child protection policies and procedures, and that there are arrangements in place to link with the school on such matters. Such considerations will be made explicit in any contract or service level agreement with the provider.

23 PROVISION TO HELP PUPILS STAY SAFE

- 23.1 Safeguarding permeates through all aspect of the wider school curriculum. The following examples are not exhaustive but give a flavour for how safeguarding is promoted at Kexborough Primary School.

Through a more personalised PSHCE programme that specifically meets the needs of our children, they learn to engage with others in a safe and mutually respectful way. Our robust anti-bullying policy is reinforced regularly. Pupils who have particular needs or difficulties in these areas are supported by a range of social and emotional support strategies and programmes, as well as receiving additional individual support from parents and staff.

Initiatives such as Peer Mediators, Sports leaders, Super stars, School Council and Bikeability, along with highly effective work with other agencies ensure that children are well-placed to keep themselves and other children safe in their everyday lives.

24 IMPLEMENTATION, MONITORING, EVALUATION AND REVIEW

- 24.1 All adults in school will receive a copy of the Safeguarding and Child Protection Policy and will be asked to sign to say that they have read and agree to follow its procedures. It will be discussed at least annually at staff meetings. Safeguarding and child Protection will be a regular agenda item at Staff Team Meetings.
- 24.2 The effectiveness of the policy will be reviewed and evaluated by the Governing Body annually in light of any specific incidents or changes to local/national guidance.
- 24.3 The designated governor for safeguarding will monitor one aspect of the school's child protection work termly and report back to the full governing body.
- 24.4 The Headteacher will report on safeguarding matters through the termly report and safeguarding will be a standing item on the agenda at each full governing body meeting. The Headteacher will also complete the Annual Headteacher's Safeguarding report which is submitted to the Local Authority after it has been agreed with the Governing Body.
- 24.5 Parents will be consulted via the parents' forum and pupils via the school council in January each year.

25 PARENTS AND CARERS

- 25.1 Parents and carers will be informed that they can have a paper copy of the Child Protection on request.

- 25.2 The policy will also be available on the school website.
- 25.3 Schools should be proactive in their consultations and involvement with parents and carers where there are child protection concerns unless this would be prejudicial to the safety and wellbeing of the child/young person.

Safeguarding Children: Whistle Blowing

Staff must acknowledge their individual responsibility to bring matters of concern to the attention of the Head Teacher. Although this can be difficult this is particularly important where the welfare of children may be at risk. You may be the first to recognise that something is wrong but may not feel able to express your concerns out of a feeling that this would be disloyal to colleagues or you may fear harassment or victimisation. These feelings, however natural, must never result in a child or young person continuing to be unnecessarily at risk. Remember it is often the most vulnerable children or young people who are targeted. These children need someone like you to safeguard their welfare.

Don't think what if I'm wrong - think what if I'm right

Reasons for whistleblowing

Each individual has a responsibility for raising concerns about unacceptable practice or behaviour in order to:

- prevent the problem worsening or widening
- protect or reduce risks to others
- prevent becoming implicated yourself

What stops people from whistleblowing

- Starting a chain of events which spirals
- Disrupting the work or project
- Fear of getting it wrong
- Fear of repercussions or damaging careers
- Fear of not being believed

How to raise a concern

- You should voice your concerns, suspicions or uneasiness as soon as you feel you can. The earlier a concern is expressed the easier and sooner action can be taken.
- Try to pinpoint exactly what practice is concerning you and why
- Approach the Headteacher
- If your concern is about your immediate manager/Headteacher, or you feel you need to take it to someone outside the school, contact the Chair of Governors, Mr M Green, or the Local Authority Designated Officer
- Make sure you get a satisfactory response - don't let matters rest

- Put your concerns in writing, outlining the background and history, giving names, dates and places where you can.
- A member of staff is not expected to prove the truth of an allegation but you will need to demonstrate sufficient grounds for the concern .
- The NSPCC whistleblowing helpline is available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call 0800 028 0285 – line is available from 8:00 AM to 8:00 PM, Monday to Friday and email: help@nspcc.org.uk

What happens next?

- You should be given information on the nature and progress of any enquiries
- Your employer has a responsibility to protect you from harassment or victimisation
- No action will be taken against you if the concern proves to be unfounded and was raised in good faith.
- Malicious allegations may be considered as a disciplinary offence

Self reporting

There may be occasions where a member of staff has a personal difficulty, perhaps a physical or mental health problem, which they know to be impinging on their professional competence. Staff have a responsibility to discuss such a situation with their line manager so professional and personal support can be offered. Whilst such reporting will remain confidential in most instances, this cannot be guaranteed where personal difficulties raise concerns about the welfare or safety of children

Further advice and support

It is recognised that whistle blowing can be difficult and stressful. Advice and support is available from your line manager, HR department and/or your professional or trade union.
