The children also take part in a daily act of worship, sometimes with the whole school, at other times with the Key Stage or with their class. Parents may choose to withdraw their children from School Assembly.

PLEASE NOTE:

Your child must be in the classroom for registration: lateness, like absence without authorisation, is officially regarded and recorded as unauthorised i.e. TRUANCY.

Those children who go home for lunch must not return before 1.20pm. This is in the interest of security and safety, because we must know exactly how many, and who, is on the school premises at all times.

Extra-curricular Activities after School:

On a voluntary basis, the staff organise a variety of clubs and activities, before and after school and during their lunch break. The children are given a timetable of these activities at the beginning of each term and a form to bring home seeking parental permission to remain until 4.00pm or 4.15pm. The volunteers make this unpaid commitment and we expect the same commitment from the children who sign up to take part in these activities.

If a club is cancelled, for whatever reason, we will look after the children until you arrive to collect them. Of course they can leave earlier - but only with parental permission.
