Reception Class New Grass

This week in Reception we have had some artificial grass installed on our playground. The grass further improves our outdoor provision for the children as we continue to strive to make it the best that it can be and to provide our pupils with high quality provision. The children have had lots of fun playing and learning on their newly improved playground. "It's really great, I like the grass!" Sky, Parrot class. "It's cool because we can all play on the grass" Oscar, Penguin class. "Everybody likes the new grass. It's great because I can roll over it" Farah, Penguin class.

Year 5 Science Week

This week has been a very special week for our children in Year 5. This week has been Science Week throughout the country and our Year 5s have been taking part in their own Science projects. Our school partners, DePuy Synthes, challenged our children to design and make a cast for a broken bone. The children were split into different groups and given different roles, such as Designer, Engineer and Marketing Director.

As a result, the children have produced some excellent models, designs and business plans. On Friday, DePuy Synthes will be sending a judging panel to look at the finished products and designs, and to also quiz the children on the skills they have learned during the week. We are pleased to say that all the children have taken an active role in the project and have produced some excellent work!

Red Nose Day

Our School Parliament representatives have chosen the theme of '**groovy accessories**' for this year's **Red Nose Day on Friday 24th March**. E.g. colourful headbands, funny glasses, silly hats. Children **do not** need to wear their uniform on this day. Please bring £1 donation for comic relief.

KS2 Link Books

Link Books are a useful method of communication between teachers and parents/carers.

Please ask to see your child's Link Book every evening to inform you about upcoming events and to find out about your child's attitude and behaviour in school.

Thank you for your continued support!

Times Tables Rock Star Leader Board

No change to the Hugh Gaitskell top ten this week congratulations to our fantastic leaders. Can they last out the term? Will we have a new entry to the top ten?
Will Mr Towler ever climb above his current spot of 13 (unlucky for some)?
Good luck HGPS Rockstars!
