

# Bonnars Church of England Primary School

**Ethos**

Nurture groups are suitable for pupils whose social emotional or mental health needs are a barrier to learning. Such pupils may have difficulty managing their behaviour, have low self-esteem, struggle to make friends or present as emotionally withdrawn.

**Impact**

Monitoring of interventions and through listening to pupil voice indicates that barriers to learning have been reduced and pupils feel better placed to cope with their emotions and feelings.

**Interventions**

At Bonners, where appropriate, pupils are carefully assessed according to their need and are provided with well-targeted support through carefully planned interventions programmes. The sessions delivered may be on an individual, group or whole class basis. Interventions are of a confidential nature; however, the impact of provision is tracked to ensure the wellbeing of the child has been supported.

“Inspire and Aspire”
