

## HOME-SCHOOL AGREEMENT

This agreement has been set out by the governing body in consultation with parents. At Market Weighton Infant School, we are dedicated to ensuring that our school environment supports learning and the wellbeing of children and staff through a strong sense of community cohesion. We pride ourselves on having good relationships with parents, carers, and pupils, and believe that working together we can achieve more. We believe that parents who understand their role and responsibility can make a huge difference to their child's future prospects. This agreement outlines the school's expectations of parents and pupils, and sets out what we promise to do, as a school body, to ensure that all children are given the best possible chance of a good education and enjoyable school years.
