

Greenfield Nursery School

Accessibility Plan

| <b>Area</b>                         | <b>Considerations</b>   | <b>Actions/Comments</b>                                 |
|-------------------------------------|---|---|
| General                             | <p>School is one level with no steps</p> <p>Outdoor and canopy areas are flat</p> <p>The nursery garden has a hill and a slope to the sensory garden</p> <p>School has one accessible toilet in the corridor areas</p> <p>The car park has a front bay which can be reserved for disabled users</p> | Staff support as required                               |
| Main entrance                       | <p>Main door accessible by wheelchair</p> <p>Inner doorway accessible by wheelchair</p>   | Buzzer at low level if help is required                 |
| Admin office & Headteacher's Office | It would be possible to get a wheelchair into the offices   |   |
| BM Office                           | Dog leg corridor may make access by wheelchair difficult  |   |
| Nursery rooms                       | <p>Doorways into rooms and out to garden wheelchair accessible</p> <p>An accessible toilet is available in the front nursery room</p>   | Door to toilet may need to be adjusted to open outwards |
| Daisy Chain room                    | <p>Doorways into rooms and out to garden wheelchair accessible</p> <p>Wheelchair access to toilets would be difficult</p>   | Alternative toilets in nursery and lobby area           |
| Pre-School room                     | <p>Doorway into room and out to garden wheelchair accessible</p> <p>The toilets are accessible by a wheelchair user</p>   |   |
