

Pupil Premium Allocation Report 2015-2016

The Government believes that the Pupil Premium Grant (PPG), which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

Schools are free to spend the PPG as they see fit. However, they are accountable for how they have used the additional funding to support students from low-income families. New measures of success will be included in the DfE performance tables; these will capture the achievement of those disadvantaged pupils covered by the PPG.

Objectives

- To raise the attainment and improve the progress of those students entitled to the PPG
- To significantly close the attainment gap between Lawley Village Academy learners entitled to the PPG and the attainment of students nationally
- To ensure that the proportions of students entitled to the PPG making expected progress in Mathematics and English is similar to their peers who are less disadvantaged.

Allocation of Pupil Premium Funding

Lawley Village Academy has been allocated £2640 of pupil premium funding for the academic year 2015-2016. The pupil premium value is allocated based on the number of students who are entitled to free school meals (or have received free school meals in the last 6 years) and also the number of students in care.

Overview of PPG Spending 2015/ 2016

Action	Spending	%
Personal Welfare and health needs	£990	37%
One to one behaviour support	£990	37%
Trips	£30	1%
clubs	£192	7%
Education support materials	£450	18%
Total Pupil Premium Spend 2015/16	£2652	100%

Attainment of Disadvantaged Students at Lawley Village Academy.

- The attainment of disadvantaged pupils at Lawley Village Academy is ...

	2015
Lawley Village Disadvantaged Children Meeting GLD	100%
Gap to national average for disadvantaged pupils	To be added%
Overall school GLD	80%
