At Trinity Church School we strive to provide innovative, high quality learning opportunities as part of our broad and enriched curriculum. To this end we require your permission for your child to participate in a number of activities while they are here. **Please tick, sign and date each section.**

## 1. INTERNET ACCESS – Acceptable Use Agreement

As part of the school's ICT programme we offer pupils supervised access to the Internet. In order to reduce the risk of accidentally accessing inappropriate material, the school employs a service provider that prevents access to listed undesirable sites; however, no system is fool-proof. We require your written permission for your child to have access to the Internet. *I understand that my child will use the Internet at school. I understand that the school will take all reasonable precautions to ensure that my child does not gain access to inappropriate material. I understand that pupils will be held accountable for their own actions.*

## 2. VISITS TO LOCAL DESTINATIONS

We sometimes organise visits to local destinations including the church, local playing field, school allotment, woods or shops within the village, or walks around the locality, to enhance the children's learning. You will be informed of all such visits prior to them taking place, but we will not seek further written consent. Risk assessments are always carried out and there is always adequate adult supervision. (Consent forms for all visits requiring transport and of longer than half a day's duration will be sent out separately for each trip). *I give permission for my child to be taken on a visit to a destination within walking distance of the school for no more than half a school day. I understand that the school will take all reasonable precautions to ensure my child's safety.*
