Fifth Sunday of Lent

Lazarus comes back to life

Gospel (*John 11:1, 3-5, 17-29, 33-34, 39-45*)

Lazarus and his two sisters, Martha and Mary, were very good friends of Jesus. They lived in a town called Bethany, not far from Jerusalem and Jesus often went to visit them. One day the sisters sent an urgent message to Jesus because Lazarus was very ill and close to death. Two days later Jesus and his disciples set off for Bethany but when they arrived they found that Lazarus was dead and had already been buried for four days. Martha ran to meet Jesus and said to him, "Lord, if you had been here, you could have saved our brother." Jesus said, "Your brother will live again." "I know that on the last day he will come back to life," she answered. Jesus turned to her and said, "Anyone who believes in me will have eternal life and he will never die. Do you believe this?" Martha answered him, "Yes, Lord, because I know that you are the son of God." When Jesus saw the great sadness of Martha and Mary and their friends, he was filled with love. "Show me where he is buried," he said. So they took him to the tomb, where Jesus said to them, "Roll away the stone and you will see God's glory." They did as he said and Jesus looked up to heaven and prayed. "Father, I thank you for I know that you always listen to me. Let these people see and believe." Then he called out in a loud voice, "Lazarus, get up and come out!" To everyone's amazement, Lazarus appeared, still wrapped in burial cloths and walked from the tomb. Many people saw what happened that day and they believed in Jesus.

Parking

As texted to parents earlier today, we have recently received quite a few distressing telephone calls from our neighbours in respect of parents parking in front of their premises, making it impossible for them to enter or exit their own homes. We even had one person who was desperately trying to get his unwell pregnant wife to the hospital but was prevented from doing so. We strongly ask that parents refrain from leaving their cars in the side roads and use the Russell Howard car park.
