

BRIMINGTON JUNIOR SCHOOL
Behaviour and Discipline Policy

“Good behaviour is a necessary condition for effective teaching and learning to take place and an important outcome of education which society rightly expects.”

(Education Observed D.E.S. 1987)

Introduction

Our policy is based on the belief that:

- Good behaviour is not automatically learned but needs to be taught and supported by parents.
- Classroom behaviour can change and that we as teachers can assist children to manage their behaviour more effectively.
- A child with problems is the school's problem not an individual teacher's problem.

Aims

- For staff to project themselves as good role models, co-operating and supporting one another, and treating colleagues and pupils with courtesy, consideration and respect.
- For staff to have a high standard of pupil expectation in all aspects of work.
- For staff to try to raise the levels of pupils' self-esteem.
- To help children develop the learning behaviours they will need in later life.
- To provide a broad, balanced and differentiated curriculum which is both interesting and relevant.
- To provide a varied range of teaching and learning styles to suit the needs of pupils.
- To provide an attractive learning environment and quality resources.
- To track pupil progress, set challenging though achievable targets and support children in achieving them, so that children know their efforts are valued and that progress matters.
- To encourage children to accept varying degrees of responsibility, both in and out of the classroom with the purpose of promoting independence, self-reliance and trustworthiness.
- To make provision for a happy working atmosphere in school by promoting the pastoral care of children, with staff giving support and guidance to each individual child.
- To consistently and fairly implement reward and sanctions systems.
- To encourage school/parental partnership, to promote children's education and maintain standards of behaviour.

“We consider that the best way to encourage good standards of behaviour in a school is a clear code of conduct backed by a balanced combination of rewards and punishments within a positive community atmosphere.”

(Discipline in Schools - Elton Report)

Other relevant documentation : Anti Bullying Policy, Racial Equality and Cultural Diversity Policy, Special Needs Policy, Attendance Policy, Marking Policy, Physical Intervention Policy, Home School Agreement.

Our purpose is:-

- to maintain levels of good behaviour
- to provide a consistent approach in rewarding good behaviour
- to provide a consistent approach in responding to unacceptable behaviour
- to ensure that behaviour does not inhibit learning or impede potential.

The Teacher's Role

Teachers need to establish consistent levels of acceptable behaviour with the support of parents, governors and management. Positive expectations, praise and reward are the key to successful classroom management. Pupils need to know how to make good choices. They need to receive consistent positive encouragement as means of motivation. They need to be taught to manage their own behaviour.

Teacher's need to recognize that effective conditions for learning: (planning, pitch, pace, participation etc) will impact positively on general classroom behaviour.

Assertive Mentoring

'Attitude' is carefully tracked at least termly. This includes attendance, punctuality, behaviour, effort, homework and uniform. Each area is graded coded: 4-5-excellent/very good, 2-3-acceptable/borderline, 0-1-unacceptable/impaired. Targets and support are agreed where necessary.

Rules

School rules are kept to an essential minimum and are included in our home/school agreement. They have been developed to be meaningful to children. None are too difficult. They are all designed to develop courtesy, good manners and mutual respect. They are to protect children from injury, to care for equipment and to maintain a hygienic, healthy environment.

Anti-social behaviour is not condoned. It is essential that parents and teachers work together through discussion and action on any problems which develop.

If damage or loss is caused to school property through repeated carelessness or vandalism, parents will be asked to ensure that their child repays a reasonable proportion of the cost from pocket money. Any action however, will be with understanding and in keeping with that of a responsible parent.

1. Our Code of Conduct is:

1.	Take Care of Yourself
Never	<ul style="list-style-type: none">Do anything silly or dangerous where you might be hurt.Leave school without permission.Talk to strangers in school or out of school.
Always	<ul style="list-style-type: none">Tell someone if you are unhappy, being picked on or bullied.
2.	Take Care of Others
Never	<ul style="list-style-type: none">Do anything to hurt others (such as hitting/name calling).Distract others from working.Be cheeky or rude to adults.
Always	<ul style="list-style-type: none">Be friendly to visitors, newcomers and other children.
3.	Take Care of your School
Never	<ul style="list-style-type: none">Steal or deliberately damage school equipment.Drop litter or deface the school building.Give the school a bad name.
Always	<ul style="list-style-type: none">Be proud of your school.

These basic rules are simplified and displayed in all classrooms and corridors and regularly verbalized.

2. **Our Listening Code**

When I am asked for my attention I:
Stop what I am doing
Empty hands
Keep quiet and still
Listen to instructions

3. **Our Line up Code**

When I am asked to line up I:
Walk to the end of the line
Keep my hands and my feet to myself
Keep quiet and still
Listen to instructions

4. **We have specific rules being enforced on the grounds of health, welfare and safety**

a. **Food and drink**

Children may bring fruit from home to eat at morning play. They may also obtain fruit from the tuck shop. Other than fruit and packed lunches, no food of any kind should be brought into school (unless on medical grounds) including sweets, biscuits and drinks.

Children have regular access to water and are allowed to bring water bottles to school. A choice of quality juice, milk or water is available during lunch.

b. **Jewellery**

Watches and stud earrings are the only items of jewellery which may be worn at school and these must be removed during P.E. and swimming lessons. Teachers are not to assist children with the removal of jewellery. If children cannot remove it themselves it should be taken out at home on the days the child does PE. Any articles removed should be locked in the teacher's cupboard for the duration of the lesson.

Reasons: Rings, necklaces, bracelets etc can turn a minor incident into a major accident if caught on apparatus or entangled in another child's clothing or hair. Even stud earrings have the potential to cause severe tears to the wearer's ears or injury to others.

c. **PE Kit**

Appropriate clothing must be worn for all PE activity

Indoors:-No jewellery, bare feet, shorts, Tee shirt or vest

Reasons: It is dangerous to go on the apparatus wearing trainers or similar footwear because it is more difficult to feel. A combination of bare feet and trainers, etc. can result in trampled toes and damaged nails. Children should exert themselves during PE and therefore should have extra clothing to compensate for heat loss.

Outdoors:- No jewellery, plimsols or trainers, shorts, Tee shirt, (Tracksuit in certain conditions).

Reasons: Slip on shoes or laced shoes even with small heels are not suitable for games lessons. They provide insufficient grip, may cause injury to others if kicked off and often lead to twisted ankles.

d **School Clothing**

This school has a code of dress. Uniform may be purchased from the school office. Parents are asked to send their children to school tidy and appropriately dressed for the weather of the day. Only flat-heeled shoes should be worn.

Reasons: School uniform reinforces school identity and eliminates 'brand' fashion and stigma. High heel shoes and boots are unsafe for the school environment. Wearing 'open toed' sandals during the summer can also result in injury.

e. Personal property

The school cannot accept responsibility for the loss or damage to clothing or personal property. Toys, games and sports equipment must not be brought to school (except on special occasions when the teacher gives permission). Any money brought into school should be handed in as soon as possible and never left in trays, bags or coats.

Reasons: Suitable toys, games and sports equipment are provided for the playground and indoor play. Unsuitable equipment may present a risk to children and present the potential for theft.

f. Mobile Phones

Mobile phones can only be brought to school in exceptional circumstances and only with the prior permission of the headteacher.

Parents who insist that children require a mobile phone during school hours i.e. for the journey to and from school must express these reasons in their request to the headteacher in writing. Such requests will be considered on an individual basis.

If permission is granted mobile phones must be handed in to the school office upon arrival and collected at the end of the school day. They should never be left in trays or coats or used during school hours.

Reasons: During school hours contact is possible through the school's land lines. Mobile phones are regarded as hazardous to health. They present an unacceptable disturbance to lessons, potential for theft and cyber bullying.

Behaviour Guidelines	Procedures
-----------------------------	-------------------

A 'no shouting' policy is in operation and shouting must not be used as a classroom management technique. However there may be occasions when it is necessary to use a raised voice i.e. in order to re-establish control, be heard on the playground etc.

No child should ever be 'sent to the head' as a sanction, as there is no guarantee that the child will arrive or that the head will be available. If, in exceptional circumstances, a child needs to be removed from class or refuses to go to isolation, the head should be sent for. If unavailable, the deputy or most senior staff member available should be called.

Our 'Physical Intervention Policy' clearly defines what is and is not acceptable practice should physical intervention be required. It is vital that any such intervention be reported and recorded.

If a child should run out of school for whatever reason, staff should not overreact and must never run after them. They may be placing a child in greater danger by doing so. The headteacher should be informed immediately and lessons returned to normal as quickly as possible.

In most cases the child will remain on site, stay within visual contact or quickly return. Once the child has calmed down, the head or appropriate staff member, will attempt to approach the child and calmly persuade him/her to return to school and discuss the situation.

If the child refuses or leaves the site, parents should be informed immediately and asked if they would like the police informing. If parents and emergency contacts are unavailable the police should be informed directly.

Upon returning to school it must be made clear to the child that there is no justification for leaving the premises and alternative strategies explained i.e. voluntary 'Time Out'. As well as trying to solve the cause of the problem, the child must be left in no doubt as to the dangers they are exposing themselves to and how seriously the school views this behaviour.

Movement in and around School

All movement in and around school should be purposeful. Staff should see that all children are suitably supervised when moving around the school. Expectations of behaviour of children sent around the school with messages or to show good work should be clearly stated and frequently reinforced by appropriate rewards when followed (refer to Rewards).

Children not behaving appropriately should be encouraged to do so; reminded of what is expected or face sanctions for repeated lapses (see Sanctions).

Example: If observed running, a child should be sent back to a stated point and be observed to walk correctly, accompanied by positive verbal feedback by the teacher or other adult such as 'There you are, you can walk sensibly. Well done!' and so on.

If observed running with a total disregard for other people or displayed work then sanctions should be brought to play (see Sanctions).

Children observed behaving appropriately, politely and considerately, i.e. holding doors, lining up quietly etc, should be thanked, praised or rewarded with a 'Smiley'.

Movement Around School - Suggested Procedures for Large Groups

- Call the group together using the familiar phrase: 'Can I have your attention please?'
- Give out any instructions and set expectations.
- Use and enforce 'Our Line Up Code'.
- Make sure all children are settled before setting off.
- Use set points to walk to and wait i.e. foot of stairs, corners, doors etc.
- Encourage a child to hold the door for others to pass through (thank them for this).
- Walk to the left hand side of the corridor/stairs.
- Encourage children to pick up fallen articles of clothing as they pass rather than walk over them (thank /reward them for doing this).
- Think about your own position to allow maximum supervision of your group as they move around i.e. stand at corners, foot of stairs etc.
- Encourage the concept of person space. In due course this should lead to sensible self-disciplined movement around school as the children mature.

Movement Around School - Suggested Procedures for Individual Children

- Choose appropriate individuals for messages.
- Make sure messengers know that they can enter any classroom.
- Encourage the use of good manners, e.g. wait until a teacher is ready to respond, use of please and thank-you.
- Remind the messengers or those showing work of what is expected of them as they move around the school, (ensure that they do know where they are going).
- Ensure a fair system for choosing messengers and monitors to avoid favouritism.

Playtime Supervision

Teachers and teaching assistants are required to perform supervisory duties including playtime supervision.

A minimum of three staff members are required to supervise playtimes. Supply teachers should cover the duty of absent teachers but should never be without support.

Staff on duty should be present on the playground by 8:50am. No hot drinks should be taken onto the playground.

Behaviour and Discipline Policy

All staff should be fully aware of playtime procedures, rules, sanctions and rewards and apply them consistently. The 'Behaviour Incident log' (kept in the Headteachers office) needs to be completed where necessary to track the behaviour of individuals.

When on duty, staff should circulate and take the opportunity to socialize with children from other classes, whilst maintaining an overview of the play area and spotting potential problems before they escalate. One member of staff per yard area maximises levels of visual supervision.

Upon hearing the bell, staff should go to the yard to collect their classes. If, for whatever reason, the internal bell does not sound, staff should assume that playtime will end at the normal time and respond accordingly.

Upon hearing the bell children should line up in accordance with the lining up procedures. Children should walk to their designated class lines, joining at the back of the line. Staff send children in a class at a time, ensuring there is no running or congestion. Good behaviour whilst entering school should be reinforced with praise and/or the awarding of a smiley. Midday supervisors should feedback to class teachers any issues that have arisen.

In suitable weather conditions the field may be used at lunchtimes. This is the decision of staff on duty. In poor weather, duty staff may decide that children should not go outside at break time. In these circumstances teachers remain responsible for the supervision of their own classes. They may decide to work through and allow a later playtime if there is a break in the weather, or allow an indoor playtime with suitable, quiet activities provided for children. It is permissible for teams to share supervision of indoor play allowing teachers a staggered break, provided that year groups are never left unsupervised. Please note that children who have achieved the required level within the Learners Code (see Behaviour and Reward Chart, A Parent's Guide to the Learner's Code) can take an unsupervised break.

Playground procedures (see Lunchtime Procedures)

In order to influence behaviour when dismissing children at playtime, lunchtime and home time teachers should supervise their own children in the corridor, putting on coats etc. Children should be well informed by their teachers that if they do not put on their coats at the beginning of playtime then they will have to do without for the whole of playtime. Children are not allowed back into school during playtimes. Children are not allowed to remain in the building unsupervised.

Children may not bring balls or equipment from home for use at playtimes but may use those supplied by the school. Footballs should be lightweight, no larger than 75% full size and should only be used on the bottom yard or the field in appropriate conditions at the discretion of the duty teachers. The top yard is a 'football free zone' although invasion games such as netball/basket ball may be played. Any misuse of playground equipment will lead to confiscation.

Any other behaviour at playtime should be dealt with by the teachers on duty, or reported to a senior member of staff according to severity or frequency. The incident log should be completed.

Any child needing medical attention at playtime will be dealt with by a member of the support staff with first aid training.

After playtime all children can be reminded that playtime is over and that a change in behaviour is expected in and around school (i.e. indoor voices).

Behaviour Guidelines

Rewards

It is very important that praise and reward should have great emphasis. Children will achieve more, be better motivated and behave better, when staff commend and reward their successes rather than focus on their failure.

Praise has a reinforcing and motivational role. It helps a child believe he/she is valued. Praise can be delivered in formal and informal ways, in public or in private; it can be awarded to individuals or to groups; it can be earned for the steady maintenance of good standards as well as for particular achievements.

Rewards

1) **General**

- Favourable comments can and should be entered on pieces of work, (see Marking Policy).
- Written School Reports should comment favourably on good work, behaviour, involvement in and general attitude to school life.
- Recognition can be given to success of differing kinds in assemblies, e.g. presentation of swimming and cycling proficiency awards etc.
- Children's work can/should be displayed as much as possible both in the classroom and corridors of the school.
- A visit to the Headteacher for commendations.
- Specific privileges can be awarded to individuals/groups of children in line with the Learner's Code, e.g. in the use of school facilities, (computers, library, games equipment, etc.).
- Opportunities for giving children greater responsibility in school should be fostered e.g. Cloakroom monitor, Book Monitors, School's Council etc.
- Above all, praise and encouragement in and out of lessons should be used as much as possible.

2) **Whole School Reward System: 'Smileys'**

As well as the rewards listed above the school has designed and adopted a consistent approach for rewarding and encouraging good behaviour, effort and manners based on the collection of 'smiley face' stamps. Smiley faces may be awarded for any actions, deeds or attitudes which are deemed noteworthy and may include:-

- Particularly good work/effort.
- Displaying good manners.
- Displaying a caring attitude towards others.
- Staying on task etc.

When awarding the Smiley the member of staff should reinforce the good behaviour e.g. 'You can have a Smiley for waiting so patiently'.

Once awarded a Smiley can never be deducted (see Sanctions).

They are intended to help staff focus on positive rather than negative behaviour. E.g. if a child is continuing to stay on task when a partner is trying to distract him, staff may choose to reward the child on task rather than apply a sanction to the child who is not.

The reward system is graded as follows:-

Any noteworthy behaviour	1 Smiley (recorded on class chart)
10 Smileys	Teacher commendation: (recorded on individual achievement card)

Behaviour and Discipline Policy

100 Smileys	Phase Leader commendation: Bronze Award (presented by Phase Leaders)
200 Smileys	Headteacher commendation: Silver award (presented by Headteacher)
300 Smileys	School commendation: Gold award/300 Smiley Badge (in front of whole school)

- Gold awards will be presented in whole school assemblies and parents will be informed of their child's achievement.
- Commendations and awards are recorded on each child's individual 'Good Behaviour Card'. The card may be taken home in order for parents and teachers to exchange comments on progress, but responsibility and care of the record rests with the child. Loss of the card will result in a loss of Smileys accrued other than in exceptional circumstances.

A 'smiley' can be awarded by any staff member to any child at any time. All staff should carry 'Smileys' at all times to reward and reinforce positive behaviour as it occurs. This reinforces our philosophy that **the care of all our children is the responsibility of all adults in school.**

If all children in a class achieve Bronze, Silver or Gold Awards they may have an appropriate class treat of their choice including: class party, class disco, additional art/PE, DVD etc. The reward should reflect the achievement i.e.

- Bronze Party: up to one session
- Silver Party: up to half a day
- Gold Party: Reward trip

3) **Certificates**

A weekly achievement assembly is dedicated for the praise and recognition of children who have made particularly noteworthy progress for Attainment, Achievement or Attitude.

The Learner's Code

The Learner's Code is designed to help children develop the learning behaviours that they will need to be successful in the future. The code is adapted for upper and lower key stage and the expectations increase incrementally. Each group of statements leads to the award of a coloured band and each coloured band unlocks another level of privileges. As children move through the band system they are given greater freedom and responsibility for their own learning.

If a child behaves incorrectly then they will receive a warning. Teacher's write the warnings on a post-it note. A second warning in a day will lead to the loss of the band. Miss Hatton manages the Learner's Code across the whole school to ensure that it is being implemented fairly and consistently.

Behaviour Guidelines

Sanctions

Sanctions

In the use of sanctions, pupils learn from experience to expect fair and consistently applied punishments which differentiate between serious and minor offences. Sanctions are applied consistently by all staff, but with the provision for flexibility to take account of individual circumstances.

Note See also our policy on the 'Physical Intervention'.

- If behaviour results in physical or verbal abuse towards a teacher/adult an 'Assault' form should be completed.
- If physical intervention of any kind is required then a 'Major Incident' record should be completed as soon as possible.
- Any other incident deemed 'serious' or resulting in injury should be recorded on a Major Incident form, the teacher's class diary or the Behaviour Incident Book.

We have an agreed system of sanctions to register disapproval of unacceptable behaviour. Responses range from polite reminders to permanent exclusion, and are intended to:

- Provide clarity and consistency of suitable responses.
- Minimise disruption to others especially teaching and learning time.
- Provide every opportunity for children to correct their own behaviour, make sensible choices and prevent further sanctions being applied.
- Allow early involvement of parents, line managers, SENCO and support agencies.
- Do everything reasonably possible to avoid exclusion from school.

When sanctions are applied, children should be helped to understand why and what they have done is not acceptable. Express your displeasure with the **action** and never the **child** i.e 'That was a silly thing to do because...' and not 'You are a silly boy'.

SANCTIONS PROCEDURE

Children should be familiar with our procedures and know what will happen next if they refuse the sanction or continue with the behaviour.

Professional judgement is required regarding which step best reflects the most suitable sanction given the behaviour displayed. . **Depending on the nature of the offence this may include immediate, permanent exclusion.** However, as a general rule for minor misdemeanors, the following sequence should be adhered to, with steps 1 and 2 being compulsory.

If unacceptable behaviour occurs:

(Classroom teacher) Use normal strategies:

e.g. Polite requests, repositioning, separating etc.

Step 1 (Classroom teacher) Give a final warning:

Use the agreed phrase, 'This is your final warning. Do you understand?' (write on post-it note)
Children should be fully aware of what this means and the possible consequences of continuing with the behaviour.

FROM NOW ON NO MORE WARNINGS. TAKE ACTION

Behaviour and Discipline Policy

Step 2 (Classroom teacher)

- Child sent to Learners Code manager with the two post-it notes detailing the problems
- Child loses band
- Child has one day reflection time with the Learner's Code manager
- Name and details are recorded on Learner's Code charts
- Learner's Code manager phones parents to tell them about the incidents

For a regular offender (ie someone who regularly loses their band):

- Learner's Code charts will detail what and when the problems occur
- Steps may be taken to address key triggers
- Discussion with Team Leader and/or SENCO : consider Behaviour Intervention.

Step 3

For a regular offender:

- Discussion with Team Leader and/or SENCO
- Analyse monitoring to identify areas of concern / possible causes/ appropriate targets.
- Complete a 'Behaviour Assessment Profile' if necessary.
- Parents informed by letter that behaviour is a cause for concern.
- Parents discuss concerns agree targets/support.
- Consider alternative strategies, inform other agencies.
- Access to extra-curricular/enrichment activity linked to improvement.

Step 4 (Head /SENCO)

Pastoral Support Program (On Report)

- Teacher completes a Behaviour Assessment Profile.
- Involvement of all necessary agencies, i.e. Behaviour Support, Educational Psychologist etc.
- Consider CAF.
- Pastoral Support Program (PSP) Meeting with parents/child.
- Clear/realistic targets for behaviour agreed (maximum of three).
- Clear rewards/consequences identified for success/failure (including possible exclusion).
- Daily feedback to child (x 5), weekly feedback to parents.
- PSP to last a minimum of two weeks/a maximum of 16 weeks, and reviewed fortnightly

If targets are achieved remove from PSP.

*If PSP failed, move to **Step 5**.*

Step 5 (Headteacher)

Behaviour Contract

A last step before exclusion

- Clear specific rules which the child **must** uphold in order to remain in school.
- Further sanctions an immediate consequence of breaking the contract.
- Reviewed weekly.
- Parents, Chair of Pupil Discipline Committee, Behaviour Support informed.

If behaviour improves return to PSP

*If not move to **Step 6**.*

Behaviour and Discipline Policy

Step 6 (Headteacher)

Internal Exclusion (5 days or more)

- Parents, Chair of Pupil Discipline Committee, Behaviour Support informed by letter.
- Child has no contact with own class or classmates.
- No access to playground, extra-curricular or enrichment activity.

If behaviour improves return to class on a Behaviour Contract or PSP.

*If not move to **Step 7**.*

Following latest government guidance

Step 7 (Headteacher)

Fixed Short Term Exclusion (up to 5 days per term)

- Parents, Chair of Pupil Discipline Committee.
- Parents may make representations to Pupil Discipline Committee.
- Pupil Discipline Committee may meet but cannot reinstate.
- Upon return to school, child stays on Contract or PSP for a minimum of four weeks.

If behaviour improves remove from PSP.

*If not move to **Step 8**.*

Step 8 (Headteacher)

Fixed Long Term Exclusion (up to 45 days per year).

- Parents, Chair and Clerk of Discipline Committee.
- Discipline Committee meet (parents/child or representative may attend/make representations).
- LEA Officer must be invited to attend but may not reinstate.
- Discipline Committee either reinstate or uphold the exclusion.
- Upon return to school or if reinstated child stays on Contract or PSP for a minimum of eight weeks.

If behaviour improves remove from PSP.

*If not move to **Step 9**.*

Step 9 (Pupil Discipline Committee)

Permanent Exclusion

- Parents, Chair and Clerk of Discipline Committee .
- Discipline Committee meet and consider all representations and reports (parents may attend).
- Discipline Committee either reinstate or uphold exclusion.
- Parents notified of right to appeal.
- If appeal successful, or reinstated child stays on Contract or PSP for the maximum 16 weeks.
- If appeal unsuccessful, remove child from school roll.

Serious incidents need to be treated on an individual basis and the circumstances investigated.

In exceptional circumstances permanent exclusion may be considered for a first or 'one off' offence. These may include:

- Serious actual or threatened violence against another pupil or a member of staff;
- Sexual abuse or assault;
- Supplying an illegal drug;
- Carrying an offensive weapon;
- Serious deliberate damage to school property.

Sanctions Procedure: Playground

If unacceptable behaviour occurs:

Step 1 (Dinner Supervisor/Duty Staff) Use normal strategies:

- Polite but firm request, discussion, separation etc.

Step 2 (Dinner Supervisor/Duty Staff) Give a warning (write on post-it note and hand to teacher)

- Use agreed phrase, 'This is your final warning. Do you understand?'
- Child to spend 10 minutes in the 'Time Out Zone'

FROM NOW ON NO MORE WARNINGS: TAKE ACTION.

Step 3

- Second offence leads to another post-it note and a further 10 minutes in the 'Time Out Zone'
- Discuss with teacher during hand-over
- Teacher refers on to Learner's Code manager where appropriate

If behaviour improves return to playground.

*If not, if child refuses or if behaviour is more serious move to **Step 4**.*

Step 4

As above

Troubled children

The school acknowledges that a small minority of children may for whatever reason lack the maturity or self discipline to make the correct choices available to them in order to control their own behaviour. This may be especially true of children with or being assessed for EHC plans and those in public care. For these children neither the normal rewards or sanctions procedures may be sufficient to support them or protect other children from their actions.

In these exceptional circumstances the school will make every effort to avoid exclusion. It is vitally important that parents are informed and involved when behaviour targets are agreed in order to establish possible causes and form a partnership of support.

Regular communication between home and school as well as daily feedback to the child regarding progress is essential. This can be achieved through the use of:

- Behaviour Reports.

Both use the school 'smiley' system for showing when targets are achieved over short periods (individual sessions/playtimes etc.) and any reason why they were not achieved.

Behaviour Targets

- Should provide limited (maximum of three) unambiguous and, above all, **achievable** targets for the child's behaviour e.g.
"To stay on task at all times" is not a realistic target for the best behaved child let alone a troubled child.
- If clear targets cannot be identified - monitor (see appendix)
- Should provide clear consequences for breaking the agreement e.g. exclusion.

If in doubt, consult a senior teacher.

Daily feedback on progress should be given and targets reviewed fortnightly either:

- to make targets more difficult as behaviour improves,
- to set new areas to tackle or
- to remove completely from report.

GOOD PRACTICE

The quality of teaching and the organisation of the physical environment have a considerable effect on children's behaviour.

Always:

1. Create an interesting, stimulating and attractive classroom environment.
2. Provide an ordered environment in which everything has a place. Children should know where materials/equipment are and how to treat them with respect.
3. Make sure the children know what they are doing and that their work is matched to their ability.
4. Be aware of what is going on around you.
5. Do not be static.
6. Do not let children queue.

Remember that problems are normal when children are learning and testing the boundaries of acceptable behaviour.

Remember to:

- Set high standards
- Apply rules firmly and fairly
- Smile and relate
- Avoid confrontation
- Listen
- Stay calm
- Use humour
- Know the children as individuals
- Look out for good behaviour
- Praise quickly and consistently
- Praise the behaviour rather than the child

We do have a choice in how we behave, we can either give pupils a negative experience by using sarcasm, ridicule and humiliation which tends to destroy their self esteem. Or, we can give them a positive experience which will build their self-esteem.

Never:-

- Humiliate - it breeds resentment
- Shout - it diminishes you
- Over react - the problem will grow
- Use blanket punishment - the innocent will resent you
- Over punish - never punish what you cannot prove

CHILDREN'S RIGHTS

- To be looked after by caring adults
- To be taught well
- To be able to rely on an atmosphere conducive to learning
- To be made to feel welcome
- Not to be talked down to
- To feel as important as anyone else
- Not to be smacked or shaken
- Not to be bullied
- Not to hear swear words
