

Week 12

Friday 31st March 2017

## This week:

What a fantastic start to the week! The children had an amazing time on the joint Year 1 and 2 trip to Sealife, London Aquarium. It was clear how excited the children were when we drove over Waterloo Bridge and the children's squeals of delight as they saw the London Eye and Big Ben. Many connections were being made with last term's learning based on the Great Fire of London. The highlight of the day for many of us was eating our lunch with the sharks! Wow!

This week we have been learning how to write recounts using time conjunctions such as—*at first, then, later, next, after that, finally.*

Mister Seahorse by Eric Carle has helped us develop our learning further as we discovered how many daddy fish help to look after their eggs and babies.

We have made some amazing art!

We have also completed our weaving inspired by our favourite place. They were tricky to do but we persevered and created some wonderful effects

## Reminder:

First day back at school

Tuesday 18th April

8.45 am.

Have a great Easter break!

## Reading Diaries and Books:

We have collected in all reading diaries and the children's practise reading books (RWInc, Project X and Code books). The children still have their class book and their Library book in their book bag. We did not collect them in today because over half of the children did not have them in their bag. Please ensure that your child's class book and Library book are in their bag ready to change after the Easter break.
