On behalf of the Chair of Governors

31st March 2017

Dear Parents and Carers

Regulation six of The Education (School Inspection) (England) Regulations 2005

OFSTED Inspection Report - March 2017

We are pleased to attach a copy of the inspection report following our visit from Ofsted earlier this month.

You will note that we have been rated as **GOOD** in every category by the inspection team following rigorous and thorough observation and monitoring of our school community.

The Governing Body are delighted with the outcome of the inspection and in particular congratulate the Head Teacher, Mrs Higgins, and her Leadership Team along with the resilient and dedicated staff for an inspiring and tireless two years. It has been a difficult and challenging road but they never wavered.

We also **again** have to praise our magnificent pupils. Every time the inspectors come through our doors they talk about our children's politeness and behaviour. In the meetings we held, they told us how impressed they were with their kindness to each other, sense of community and belonging to the school and their tremendous relationships with the staff. **How proud as parents you should all be! How proud as pupils you should all be!**

The work doesn't stop. The team are determined that the school will keep improving and moving in the right direction to ensure even better outcomes for all pupils.

This is a team effort, we all need to be on board and it is vital as we move ahead that we work closely together to ensure the children of our school can **be the best that they can be.**

Warmest regards

Lee Matts
