

U11 Football

The most anticipated competition of the year saw the U11 boys taking part in their competition and 23 girls having fun at the U11 festival which they really enjoyed. The boys all played fantastic football and for the third year in a row St John's A team won the competition with the B team coming 2nd.

U11 Gymnastics

Congratulations to our amazing Gymnastics team on coming 2nd overall in this years Gymnastics Competition and only 1 point away from the top spot. All the key stages came second in their individual competitions. A huge thank you to Mrs Edmunds and her helpers on working so hard with the team. The team are now through to the County finals.

U11 Netball

This year's competition proved tough but we worked hard to reach the semi finals with some outstanding play. After a long match we went 1-0 down to Gateway with only a few minutes to go and unfortunately that was the end result. What we took from our end result was that we will return next year with a very strong experienced year 5 team.

U11 Hockey Finals

For the third year running we made it through to the West Oxfordshire County finals at Wood Green school. We were unsuccessful this year at reaching the final round but the team worked really well together and it was a great afternoon.

U9 Cross Country Finals

Congratulations to Finley Barrett who is through to the Oxfordshire Cross Country finals. Finley has been training hard and we will keep you updated on his progression.

Girls Football Club

Girls across Oxfordshire will be provided with increased opportunities to play football after a new nationwide participation programme was announced. The programme will see 200 SSE Wildcats Girls' Football Clubs opening throughout England this spring, each run in conjunction with the local County FA and their key partners. The move will provide girls aged from 5 to 11 with regular opportunities to play football and take part in organised sessions in a fun, engaging and safe environment over a minimum 16 week period. The project is an integral part of The FA's objective to double girls' football participation by 2020 and has been established in a joint partnership between The FA and SSE, supporters of girls' football participation and sponsor of the SSE Women's FA Cup

Mr Hyatt will be running the new SSE Wildcats Girls' Football Clubs at Carterton Community College.
Start date: Thursday 23rd March
Time: 17:00-18:00
Venue: Carterton Community College 3G pitch, Upavon Way, Carterton, Oxfordshire, OX18 1BU
Price: £1.50 per session (can pay for 16 weeks up front for £24 with cheques made payable to 'Oxfordshire County Council')
