<b>Additional Comments (Financial/Staffing/resource/pupil benefits or implications)</b>	Pupils benefit from being able to access a variety of sports clubs after school, especially beneficial to children who don't have access to clubs due to living in the surrounding villages.		

5	P.E./SPORT CROSS-CURRICULAR LINKS	Lower Key Stage 2	Upper Key Stage 2
	<b>Links with other subjects that contribute to pupils' overall achievement &amp; greater SMSC skills</b>	Year 3 and 4 science curriculum links to PE through focus on healthy eating and healthy lifestyles. Building learning Power curriculum strong links with resilience, reciprocity and resourcefulness.	Year 5 and 6 PSHE curriculum links to the dangers of smoking, drinking and illegal drugs. Year 5 Geography residential links to PE curriculum through mountain climbing. Year 6 Outdoor and adventurous residential links to PSHE curriculum. Building learning Power curriculum strong links with resilience, reciprocity and resourcefulness.

6	PUPIL WELL-BEING	Lower Key Stage 2	Upper Key Stage 2
<p>The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.</p>		<b>Curriculum Content</b>	
		<p>Curriculum sessions in Year 3 and 4, as part of PSHE &amp;C, on healthy eating and the need for exercise.</p>	<p>Curriculum sessions in Year 5 and 6, as part of PSHE &amp;C, on healthy eating, smoking, drug use and the need for exercise.</p>
<p>Impact on Pupil Well-being</p>		<p>Good consumption of free school fruit and many children bringing their own fruit/ veg as snacks at break time. Water bottles provided for all pupils well used by them. Salad bar at lunchtimes to encourage increased vegetable consumption. Pupils actively participate in after school clubs and lunchtime activities. Lunchtime Kick Boxing sessions introduced. Multi-Use Games Area installed to provide more opportunities for playing football at lunchtimes.</p>	<p>Good consumption of free school fruit and many children bringing their own fruit/ veg as snacks at break time. Water bottles provided for all pupils well used by them. Salad bar at lunchtimes to encourage increased vegetable consumption. Pupils actively participate in after school clubs and lunchtime activities. Lunchtime Kick Boxing sessions introduced. Multi-Use Games Area installed to provide more opportunities for playing football at lunchtimes. Good awareness shown in surveys of drug awareness and the need for a healthy lifestyle.</p>

7	PUPIL ATTITUDES AND ACHIEVEMENT	Objective outcomes (Healthier pupils – improved attendance, reduction of obesity/improved fitness levels etc)	Subjective outcomes (Higher concentration levels, improved team work, achievement. healthier lifestyles)
<p>The extent to which the increased Sport provision impacts on pupils' attitudes to learning and improved achievement</p>		<p>An increase in the number of pupils participating in an additional hours exercise each week whether in school, after school or un-related to school.</p>	<p>All pupils selected to represent the school felt very positively about the experience. Good team ethic evident amongst most pupils.</p>
<p>Pupils' feedback /Comments</p>		<p>Pupils surveyed would like more opportunities for healthy eating through cooking, lunchtime sports clubs, provision of more free fruit and provision of additional play equipment.</p>
