

Collective Worship Policy

Updated: March 2017
Governors: March 2017

Mission Statement

St. John the Baptist Catholic Primary School is rooted in the local Catholic community with which it shares beliefs and values.

Christ is the way, the truth and the life.

Our school is a welcoming Christ-centred community, committed to the development of faith and worship.

Our mission is to provide a loving and stimulating environment, where all are inspired and empowered to achieve their true potential as unique and valued individuals.

Our children will be encouraged to develop an awareness and respect of others as well as themselves, as we all journey through life with Christ.

The Nature of Collective Worship

We believe that Christian worship in a Catholic school names and celebrates God's presence in our lives. It is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.¹

Legal Requirements

We acknowledge the legal requirement that there must be a daily act of worship for all pupils.² (This can take place at any time during the school day and can be either a single act of worship for all pupils, or separate acts of worship in school groups.) We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that collective worship and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear.

The act of worship is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including religious education.

As a rule, acts of worship will take place on the school premises. However, the governing body has the discretion to allow acts of worship to be held elsewhere e.g. church, "on a special occasion".

In this school, as with any Voluntary Aided School, responsibility for arranging Collective Worship rests with the Governing Body after consultation with the headteacher.

¹ It is important to be clear about our use of terminology when dealing with the whole area of 'Collective Worship' in schools. 'Collective Worship' is a term used in legislation in this country but is not a phrase we use readily in a Catholic context. 'Prayer' and 'Liturgy' are terms more commonly used in our context and are explored in greater depth in the guidelines.

² Parents have a right to withdraw their child from Collective Worship. However, given the importance of Collective Worship in a Catholic school, parents and prospective parents need to be made aware of the fact that it can never be confined to 'timetabled slots' but may take place in a variety of contexts other than those which are specifically structured.

The Place of Collective Worship in the Life of our School

We endorse the belief that Collective Worship takes into account the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in church
- Those for whom school may be their first and only experience of church
- Those from other Christian traditions – or none
- Those from other faith backgrounds.

It will be an educational activity or experience to which all can contribute and from which all can gain.

Worship in this school is more than just a legal requirement. It is an integral part of school life and central to the Catholic tradition.

The Aims of Collective Worship

We believe that Collective Worship in our school aims to provide opportunity for all pupils and staff:

- To contemplate something of the mystery of God
- To reflect on spiritual and moral issues
- To explore their own beliefs
- To respond to and celebrate life
- To experience a sense of belonging and develop community spirit
- To develop a common ethos and shared values
- To enrich religious experience
- To grow in liturgical understanding and development
- To reinforce prayers which are part of the Catholic tradition
- To reinforce positive attitudes
- To participate fully
- To take time out 'to wonder at', 'to come to terms with' and 'to give worth to.'

Principles

All Acts of Worship in this school will:

- Give glory and honour to God
- Be a quality activity, fundamental to the life of the school and its Catholic character
- Give children positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church.³ In order to do this, celebrations will:
 - be kept small wherever possible or appropriate to help to personalise the experience;

³ Directory for Masses with Children, paragraph 9.

- be short and appropriately paced (children's attention span lasts in any one activity for an average of one minute per year of life *i.e., 5-6 mins. For Key Stage 1 and 7-10 mins for Key Stage 2*);
- be simple, including a range of experiences offered in a variety of groupings and in a variety of settings.

The Planning, Content and Delivery of Collective Worship

Collective Worship is planned:

- following a structure with reference to the Church's seasons, 'The Way, the Truth and the Life' significant dates and the curriculum. Scripture will be the focus in most acts of worship
- involving consultation with appropriate parties and reference to school aims and policies
- with flexibility to respond to changing situations within the school and the wider community
- to develop in pupils skills that enable them to prepare, organise and lead worship rather than always participating or contributing in an age appropriate manner following the 'Child Led Liturgy Guidelines' adopted by the BKCAT.

Recording

Collective Worship is to be recorded on a proforma:

- following principles of : Gathering, Word of God, Reflection on the word of God, Going Forth – planning will note themes, leaders, pupil groupings and resources.
- through displays, collections of pupils' contributions, prayers, reflections, photographs, videos etc.

Monitoring and Evaluation

At least once a year the school's provision of worship will be evaluated to consider whether it meets the needs of all pupils and whether pupils are making progress in acquiring skills and abilities in organising and leading worship using Child Led Liturgy Guidelines criteria.

Coordinator for Collective Worship will undertake observations of worship, liturgies etc as part of school timetable of observations.

Audit of Collective Worship across to be undertaken by coordinator and headteacher on an annual basis to inform 'Catholic life of the School' audit required by BKCAT Mission Group.

Resources

Voluntary Worship and Retreats

Opportunities will be sought for opportunities for retreat and reflection. This could be through day retreats, pilgrimage or residential at an appropriate venue.

Chaplaincy Team to be established to develop Child Led Liturgy through school.

Eucharist

Eucharistic celebrations in school will highlight a special occasion and will normally be celebrated with children whose faith development has reached an appropriate stage.

The same general principles will apply to planning a Eucharistic celebration as other acts of school worship, therefore opportunities for children to participate will be maximised. When preparing these celebrations reference will be made to ***“You have prepared a banquet for me – Guidelines for celebrating school Masses”*** as advised by Diocese of Leeds.

Children will use Mass cards at an appropriate age to encourage them to participate in the celebration of Mass.

We believe that children are best introduced to prayer, the sacraments and particularly the Eucharist in a step by step approach using appropriate materials

Paired class masses will take place on a half termly basis following liaison with Parish Priest
