## Fantastic News!

It has been officially confirmed that Colchester Borough Council will be carrying out improvement works to the surface and drainage of the back lane leading to the school during this current financial year.

This is excellent news!

**Thank you** to all the parents who emailed their councillors regarding the need for this work to be carried out, but particular thanks must go to Mr Jason Berry, Parent Governor, whose drive to get this work agreed has been relentless. This positive outcome is worth all the phone calls, emails, meetings and constant hassle.

At present we have no date for the work to be carried out, but we hope it will be done before next winter in order to prevent the path becoming the muddy trail we are all familiar with!

**I can, You can, We can...achieve.**
