21<sup>st</sup> April 2017

Dear Parents / Guardians

I was intending to write to you all this week, sharing the lovely news that Mrs Sturton is expecting another baby in September, but that she would be continuing with us until the end of the school year.

However, due to the health issues which she is experiencing, she has now gone off on sick leave for the foreseeable future. In the meantime, Miss Johnson and myself, will be taking full class responsibility and as the children know us both well, there will be minimal disruption for them. Miss Johnson holds a degree in Early Years, so is well qualified to teach in the classroom and I know the children are completely at ease with her. In addition, Mrs Elliott will continue to work in the classroom as the Teaching Assistant offering her experience and support. End of Year Reports will be written by myself and Miss Johnson in the usual manner and of course we are both happy to discuss any concerns you have about your children and their progress.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely

Mrs Alison Crawshaw  
Headteacher
